

## TAFT ADDRESSES THE LOTUS CLUB

### RESPONDS TO TOAST "THE PRESIDENT" IN NEW YORK

**Advocates Admission to Congress of  
Members of Cabinet and Six Year  
Term for President—Sarcastically  
Raps "Friend Bryan."**

NEW YORK, NOV. 16.—President Taft sang his "Swan Song" as chief executive of the nation tonight. As the guest of the Lotus club the president responded to the toast "The President" in a speech in which many of his hearers considered the most remarkable he has ever made. He shifted from grave to gay and from the philosophy which he said four years in the white house had taught him to a discussion of problems which face the nation. He laughed at the outcome of the election; smiled when he spoke of some of the expressions of President-elect Wilson and touched with general sarcasm on William Jennings Bryan.

In his serious moments the president earnestly advocated the admission to the halls of congress of members of a president's cabinet; declared that a six year term in the presidency was enough for any man; advocated strongly the placing in the civil service of practically every officer in the government service and hinted broadly that congress should provide for ex-presidents so they need not lower their dignity of the position they have held when they enter into private life.

**President's Chief Regret.**  
His chief regret, the president said was that he had been unable to influence the United States senate to the arbitration treaties with France and Great Britain. In spite of that fact he asked his audience to believe that he would leave office with the deepest gratitude to the American people for the honor they had given him and with the belief that enough progress had been accomplished in his administration to warrant him feeling that he had done real good for his country.

The president closed his speech with a toast to his successor.  
"Health and success to the able, distinguished and patriotic gentleman who is to be"—and he raised his glass while his hearers rose to their feet—"the next president of the United States."

**President Taft Said in Part.**  
"It is said that the office of president is the most powerful in the world, because under the constitution its occupant really can exercise more discretion than an emperor or king exercises in any of the governments of modern Europe. I am not disposed to question this as a matter of reasoning from the actual power given the president in the constitutional division of governmental functions, but I am bound to say that consciousness of such power is rarely if ever present in the mind of the ordinary individual acting as president, because what chiefly stares him in the face in carrying out any plan of his is the limitation upon the power and not its extent. Of course there are happy individuals who are able entirely to ignore these limitations both in mind and practice and as to them the result may be different. But to one whose training and profession is subordinate to law; the intoxication of power rapidly sobering off in the knowledge of its restrictions and under the prompt reminder of an ever present and a not always considerate press, as well as by the kindly suggestions that not infrequently come from that hall of congress in which impeachments are initiated and that smaller chamber in which they are tried.

"I venture the suggestion that it would aid the efficiency of the executive and center his energy and attention and that of his subordinates in the latter part of his administration upon what is a purely disinterested house of public service if he were made eligible after serving one term of six years either to a succeeding or a non-consecutive term. It is difficult to prevent the whole administration from losing a part of its effectiveness for the public good by this diversion of political effort for at least year of the four of each administration. Were this made impossible by law, I can see no reason why the energy of the president that of all his subordinates might not be directed rather to making a great record of efficiency in the first and only term than in seeking a second term for that purpose."

Another suggestion he would make is that legislation be taken bringing more close together the operation of the executive and legislative branches. The president called attention to the fact that the rules of the two houses forbid the use of abusive language of member against another; also to the fact that there are no rules limiting the parliamentary character of the language which may be directed against the president. He thought the presence of cabinet members on the floor and the possibility of a reply from them there would be moderation in discussing the administration.

"The strongest reason for advocating this change," continued the president, "is that the influence that the executive shall have in shaping legislation shall be more in harmony with the responsibility that

the people hold him to in respect to it."

Mr. Taft's observation has been that the position of president is not a place to be enjoyed by a sensitive man. He spoke of "criticisms and attacks that are made without the slightest reference to facts and merely for the purpose of invoking opposition and distrust and with the hope that by constant repetition they can escape any possible refutation. Of course the re-assuring formula that history will right one and will give one his just meed of praise in consoling, but it is not altogether satisfactory because the thought suggests itself that the time for remedy of the injustice may be postponed until one is gathered to his father's and when he is not then particularly interested in earthly history or mundane affairs."

He thought and expressed the hope that "the period for successful muckraking is gradually drawing to a close."

"I beg you to believe," the president said, "that in spite of the very emphatic verdict by which I leave the office, I cherish only the deepest gratitude to the American people for having given me the honor of having held the office and I sincerely hope in looking back over what has been done that there is enough of progress made to warrant me in the belief that real good has been accomplished even though I regret that it has not been greater."

He regretted the failure of the ratification of arbitration treaties with France and Great Britain.  
"It surely would have been a great step toward world peace."

**Osler Method for Ex-President.**

As to ex-presidents he was not sure but Dr. Osler's method dealing with elderly men would not properly usefully apply to the treatment of ex-presidents.

"The proper and scientific administration of a dose of chloroform or of the fruit of the Lotus tree might make a fitting end to the life of one who had held the highest office and at the same time would save the country from the troublesome fear that the occupant could ever come back."

"I observe that my friend Mr. Bryan proposes another method of disposing of our ex-presidents. Mr. Bryan has not had exactly the experience of a near president three times and a 'near' president three times and possibly that qualifies him as an expert to speak of what we ought to do with our ex-presidents. He has been very vigorous in this campaign in helping to make me an ex-president. As a warlike and as a maker of ex-presidents, I think we should give great and respectful consideration to his suggestion. Instead of ending the presidential life by chloroform or Lotus eating, he proposes that it should expire under the anesthetic effect of the debates of the senate. He proposes that ex-presidents should be confined to the business of sitting in the senate and listening to the discussions in that body. Why Mr. Bryan should think it necessary to add to the discussion in the senate the incursions of ex-presidents I am at a loss to say. If I must go and disappear into oblivion I prefer to go by the chloroform or Lotus method. Its pleasant and its less drawn out."

**Dine today at the Peacock Inn.  
Roast turkey is on the bill of fare.**

**C. P. & ST. L. WILL  
BE SOLD TOMORROW.**

**Rock Island Still Looked Upon as  
Most Likely Purchaser.**

Railroad officials are speculating on the probable purchasers of the Chicago, Peoria & St. Louis railway, which that property is sold at public auction at 10 o'clock Monday morning, by order of the United States court for the southern division of the south district of Illinois. The sale will be conducted by Walter McCall, master in chancery of the court, at the C. P. & St. L. freight house at Ninth and Madison streets, Springfield.

The proceedings Monday will mark what is believed by many to be the turning point in the career of a railroad, which while tapping one of the richest districts of the state has been unable to withstand the heavy cost of maintaining and operating a line.

The rolling stock of the company is stated as consisting of 1,017 coal cars, 858 box cars, 44 locomotives, 36 passenger coaches, and 64 service cars.

The counties in which the property is located are: Tazewell, Mason, Menard, Sangamon, Cass, Morgan, St. Clair, Madison, Macoupin and Jersey.

The Rock Island company is said to be the most likely purchaser of the road although some railway men do not believe it would pay the price which will be necessary to secure control.

**Young turkey, Peacock Inn today.**

**ATTELL MATCHED WITH KIRK.**

St. Louis, Nov. 16.—Abe Attell, former feather-weight champion, has been matched to box eight rounds at 122 pounds with Ollie Kirk, a local fighter, before the Business Men's Athletic club here Nov. 27.

**ROB GIRL OF \$566.**

Chicago, Nov. 16.—Two youths today robbed Miss Ruth Shaban, a cashier, of a handbag containing \$566, which she had drawn from a bank to pay the salaries of employees of the firm by which she is employed. The robbery occurred at the entrance of the building in which Miss Shaban worked, one robber snatching the bag while the other interfered with the girl so she could not pursue the man with the money. Neither robber was captured.

## TELL PREPARATIONS TO BLOW UP TIMES

### WITNESSES GIVE McNAMARA'S ACTIONS BEFORE EXPLOSION

**How He Rented Flat in San Francisco,  
Procured Launch, Bought Dynamite  
and Returned to San Francisco after  
Setting Explosive.**

INDIANAPOLIS, IND., NOV. 16.—Incidents of Jas. B. McNamara's preparation to blow up the Los Angeles Times building in the wreck of which 21 persons were killed, were blended into a dramatic story by ten witnesses from California at the "dynamite conspiracy" trial today.

How the dynamite rented a furnished room in Mrs. Lena Ingersoll's flat in San Francisco; how he got in touch with F. A. Schmidt and David Kaplan, his alleged accomplices, how he called from the flat to procure the gasoline launch Pastime and to buy 500 pounds of 80 per cent nitro-gelatin, a high explosive and how after fixing the Los Angeles Times explosion to occur at 1 a. m., on Oct. 1, 1910, he returned to San Francisco at 11 o'clock that night begged Mrs. Ingersoll to allow him to remain there offering her a whole month's rent, were details related by people who had personal dealings with McNamara.

**Tells of Renting Cottage.**  
James O'Brien told how a cottage owned by him in 13th avenue in the southern part of San Francisco had been rented before the Los Angeles explosion and how when several weeks later he went out there to learn why the cottage was not occupied, he found ten boxes of nitro-gelatin locked in the parlor. Mr. O'Brien said in his ignorance of what the boxes contained, he looked into one box with a lighted cigar in his mouth and thinking the explosive was candles, knocked a stick against the box. Los Angeles detective related what he saw when he arrived at the site of the Times building. Another development of the day was an admission by Frank Eckoff of Cincinnati, that he aided in the escape and concealment of McNamara after the dynamite was returning east. Eckoff also admitted having demanded money from the McNamaras "to keep his mouth shut."

**Landlady Testifies.**  
Mrs. Ingersoll was the first important California witness to be called. She said she now lived at Victoria, B. C.

She said on Sept. 1, a month before the Los Angeles explosion, she rented a room to McNamara who used the alias, J. B. Bryce. Later McNamara was visited by Schmidt, who lived at the home of a Mrs. Levine, a friend of Mrs. Ingersoll's. It was in this way that McNamara was directed where to rent a room.

On Sept. 14, McNamara left Mrs. Ingersoll's and went to a hotel. Mrs. Ingersoll said she did not again see McNamara until the night of Oct. 1, when about 11 o'clock he came to her house and wanted to stay over night, but she couldn't arrange for him at that hour. He begged to be allowed to sleep on a sofa, offering to pay a whole month's rent for the privilege, she said. She refused and he left. She did not see him again until after his arrest.

**Telephone Operator on Stand.**  
Miss Ethel Gill, a telephone operator in the San Francisco hotel, identified records of calls by McNamara to the powder company and to the launch owners.

She was corroborated by John Stanley, keeper of a boat house at Alameda across the bay from San Francisco. He testified in September two men identified as McNamara and Schmidt, who gave the name of F. A. Perry, said they wanted to rent a launch for a fishing trip for a week or ten days. They selected the gasoline launch Pastime, but Stanley referred them to Edward H. Baxter and Allen D. Burroughs. These two owners testified that McNamara and Schmidt negotiated for the renting of the launch, finally agreeing to pay \$40 for ten days rental and giving \$500 cash security, which later was refunded. September 20 a written agreement was entered into and McNamara, after being instructed how to run the launch, took possession of it.

**Change Name On Boat.**  
The next step in the narrative was the testimony of Harrison M. Nutter, clerk in a hardware store in San Francisco, who sold \$1.60 worth of aluminum letters to make two sets of the word Peerless which was substituted for the original name of Pastime on the boat.

About the middle of September, Bruce McCall, employee of a powder company, testified he received a telephone call from the "Bryce Construction company" inquiring about the purchase of 500 pounds of high explosives to be used to blow up stumps on a ranch. He advised the party that 20 per cent was strong enough for that but he insisted he wanted 90 per cent nitro-gelatin. Having only 80 per cent in stock, the man agreed to take that and called and paid for 500 pounds. Later the dynamite was taken away in a launch.

**Find Explosive In Cottage.**  
James C. O'Brien and August Milo told of the renting of the San Francisco cottage in which the explosion was stored.

"Several weeks later, passing the house, I thought it was queer that the people had not moved in," said O'Brien, the owner. "I had a key and entered. I noticed that all the rooms were empty but the front

room was locked. Opening that, I saw ten boxes partly covered with a tarpaulin. One of the boxes was opened, but the others were filled, weighing about 500 pounds each. I pulled out one stick in the opened box thinking it was a candle. I was smoking and knocked the stick against the box to see what it was. Presently I noticed the sticks were marked nitro-gelatin, 80 per cent; that was enough for me. I said 'good night' and ran to tell the police."

**Tells of Building's Condition.**  
Frank D. Carroll, police detective of Los Angeles, told about the condition of the wrecked Times building when he arrived there at 7 a. m. He also described the contents of a bomb he found on the premises of Felix and Abdul Hamid to the police. The bomb contained 16 1/2 sticks of explosive, a dynamite cap, fuse, battery and a clock.

Eckoff, a friend and neighbor of the McNamara family in Cincinnati, after telling how he met Jas. B. McNamara at Ballagh, Neb., assisted the dynamite return east and then demanded \$500 to keep quiet or he'd inform the authorities. He never got the money he admitted.

Eckoff said long before the loss of life at Los Angeles he knew James B. McNamara was dynamiting jobs. He said he himself was sent to blow up a job in Cincinnati, for which he was promised \$50, but he met the watchman and did not do it.

## CONFESSES MANIA FOR KILLING BOYS

### POLICE RECEIVE STARTLING DISCLOS- URES IN POSTAL CARDS

**Modern "Dr. Jekyll and Mr. Hyde"  
Writes of Awful Crimes Com-  
mitted—Text of Post Cards Fit  
Facts and Coroner's Records—  
Victims are Strangled.**

BUFFALO, N. Y., NOV. 16.—Confession to at least three murders and admission that there are "still more" is the startling disclosure contained in postal cards from a modern "Dr. Jekyll and Mr. Hyde," the murderer of six year old Joseph Josephs, received by the police and made public here tonight. The murderer of the Josephs boy whose entire body in badly decomposed fragments was found today in a cesspool near his home in Lackawanna, N. Y., after a search of over a year, is believed by the police to be but one of a long series of similar crimes committed throughout the country by the man who according to his own confessions has an irresistible mania for killing boys. Today's gruesome discovery was made by following the minute instructions contained in the cards.

Young Josephs' disappearance on the afternoon of October 12, 1911. It was at first believed he had been abducted but his father, George Josephs, a prominent merchant of Lackawanna insisted he had been kidnapped and a country-wide search was instituted but in vain.

In one letter the writer tells of strangling a newsboy named Krust in Central Park, N. Y., that he had killed three and tried to kill twelve others. In another letter he intimates he was wealthy, prominent in fraternal circles and has a son who is married and happy and wonders if under such circumstances he could or should give himself up. Under date of Boston, September 12th, 1912, he tells Superintendent Regan of the Buffalo police department that he has a homicidal mania, that he killed Joey Josephs by strangling him, as he says he did the others.

Writing Chief of Police Gibson of Lackawanna he says his hear is full of remorse because of the murders committed as a result of homicidal mania, that he had just recovered from a drunk indulged in the hope of forgetting the ones he had killed and that he was fast going to pieces mentally and spiritually.

A letter dated October 30, last, tells where the body of Joseph Josephs could be found that he had tried to kill a newsboy but failed, expresses a willingness to pay the penalty of his crimes but for his families sake will not let the Boston police get him.

The last card was dated New York Nov. 12, 1912, and stated that the writer expected to be in Buffalo Wednesday the 13th, and would call at the police office at 11 a. m. "So shall expect you to be in your office," it was signed "R. Dennison" and was the only card of the series to bear a signature. The writer did not keep the appointment.

The police and federal authorities in Boston and New York have been asked to assist in the attempt to locate the murderer.

Handwriting experts tonight stated that the signature to the postcard was "R. Deumessor" not Dennison, as originally believed. The word is a combination of Latin words meaning "God's Reapers."

**Records Bear Out Story.**  
New York, Nov. 16.—Records in the coroner's office in this city bear out the text of the postal card written to the Buffalo police giving information on the strangling of Michael Kruck, a newsboy in Central park.

Kruck's body was found on Dec. 10, 1911, the date mentioned on the card. Dr. Higgins, then coroner's physician performed an autopsy and reported that death was due to strangulation.

**CHRISTMAS BAZAAR.**  
The Christmas bazaar of State Street church will be held Dec. 5. All sorts of Christmas novelties, kitchen supplies, fancy articles, cookery and candies will be for sale. A buffet lunch will be served from 11 o'clock till 2.

room was locked. Opening that, I saw ten boxes partly covered with a tarpaulin. One of the boxes was opened, but the others were filled, weighing about 500 pounds each. I pulled out one stick in the opened box thinking it was a candle. I was smoking and knocked the stick against the box to see what it was. Presently I noticed the sticks were marked nitro-gelatin, 80 per cent; that was enough for me. I said 'good night' and ran to tell the police."

**Tells of Building's Condition.**  
Frank D. Carroll, police detective of Los Angeles, told about the condition of the wrecked Times building when he arrived there at 7 a. m. He also described the contents of a bomb he found on the premises of Felix and Abdul Hamid to the police. The bomb contained 16 1/2 sticks of explosive, a dynamite cap, fuse, battery and a clock.

Eckoff, a friend and neighbor of the McNamara family in Cincinnati, after telling how he met Jas. B. McNamara at Ballagh, Neb., assisted the dynamite return east and then demanded \$500 to keep quiet or he'd inform the authorities. He never got the money he admitted.

Eckoff said long before the loss of life at Los Angeles he knew James B. McNamara was dynamiting jobs. He said he himself was sent to blow up a job in Cincinnati, for which he was promised \$50, but he met the watchman and did not do it.

## BULGARS ADVANCE UPON TCHATALJA

### ATTACKING ARMY STRETCH- ED ACROSS PENINSULA

**Bulgarian Army With Every Available  
Piece of Artillery is Marching  
Straight Upon the Works a Few  
Weeks Ago Thought Impregnable.**

LONDON, NOV. 16.—The general advance of the Bulgarian army upon the Turkish lines at Tchatalja, the main obstacle between it and Constantinople, has commenced, and according to Sofia reports, already has met with some success. The Bulgarians aim at attacking simultaneously all the forts of which the line is composed and with that object, the army is stretched across the peninsula. With every available piece of artillery that could be gathered the army is marching straight toward the works, which until the Turks suffered the series of awful defeats were considered by military experts impregnable.

The advance guards of this great army of invasion have already reached the village of Lazarik near Take Deros in the Turkish right flank of the town of Tchatalja, facing the center of the line which takes its name from the town and Arnaoutkui further to the south and near the sea of Marmora.

All these places have been occupied and from Arnaoutkui the Bulgarian artillery is shelling Blyuk Chkmedyev, where there are two Turkish forts composing the extreme left of the Turkish line.

At other points too, the guns have begun to speak and from the hills around Constantinople firing can be heard. Some small reconnoitering parties have got around the flank of the Turks right and are operating in the country between the Tchatalja line and the capital. But the various divisions have only just commenced the attempt to make a breach which will give them an opening toward the city of their desire.

Those who have visited the Turkish front differ considerably as to the ability of the defenders to hold the forts.

Some declare that the Turks, strengthened by re-inforcements with an abundance of ammunition and provisions will make a good stand while others cannot believe an army so badly beaten in previous engagements can hold out. In addition cholera has invaded the camp, further dishearten them. And, again, the Bulgarians will have the advantage of superior artillery.

However, unless the Turks give up without a fight there will be a battle or if possible more sanguinary than any that has preceded it, before peace makers succeed in their efforts to end the conflict. Although the cost of life will be heavy, the Bulgarians would like to have the battle decided before an armistice is arranged, because, with the Turks beaten in their last ditch it would be a long time before they could make further trouble for their neighbors.

Scutari, Adrianople and Monastir are still holding out against the allies who keep up their bombardments.

The Greeks are now heading toward Janina and the Montenegrins, according to an unconfirmed report have beaten the Servians in the race to San Giovanni di Medua which it is said they have taken.

Constantinople, at the gates of which the Bulgarians are knocking, is now a city of sick, wounded and hungry refugees. With the wounded, in addition to the cholera, all relief has been overtaxed. Some relief has been afforded by the action of the government in sending many refugees to Asia Minor.

A revolution has been added to the other troubles of the Turkish government. The Young Turks, on whom much of the blame is placed for disaster, are suspected of being concerned in a conspiracy to overturn the government and a section of them are in a plot to restore the ex-sultan Abdul Hamid to the throne. The government has taken drastic action against the suspects, many of whom have been arrested.

Constantinople, Nov. 16.—Firing has been heard since morning from the various heights in the direction of Tchatalja, but the nature of the result of the engagement has not been learned. It is reported that Bulgarians have attacked the Turkish position at Blyuk Chkmedyev, on the sea of Marmora and Turkish warships have been occupied in shelling Bulgarian detachments at various places along the coast.

Several leading young Turks were arrested at Constantinople, including Suleiman Nazif, ex-vali of Baghdad and Muhl Eddin, editor of the newspaper Tanin, for complicity in an alleged plot against the government. Other arrests are impending in connection with the propaganda to restore the ex-sultan Abdul Hamid to the throne.

Refugees say that a portion of Rodosto has been destroyed by fire. The cholera epidemic has increased greatly of late. A large number of patients have been placed in the mosque of St. Sophia where a cordoned has been established.

**Describe Reports "Pure Inventions"**

Sofia, Nov. 16.—The "Mir" characterizes as "pure inventions" the various published reports describing describing pitched battles on the Tchatalja lines, where, it asserts, up to the present there have been nothing more than brushes with the

## YOUNG GIRL TELLS PATHETIC STORY

### ATTEMPTS TO DESERT ELEVEN DAY OLD CHILD

**When Picked Up By Police She Tells  
of Being Sent to Chicago to  
"Study Music" By Married Man,  
member of Bible Class in Rock-  
ford.**

CHICAGO, NOV. 16.—Glady's Baker, 20 years old, today told in municipal court how she tried twice to desert her eleven days' old baby last night. Both times the baby cried and she went back to it. A detective had been watching her and arrested her. In the municipal court this afternoon the girl told Judge Hopkins that she was the daughter of a business man in Rockford. Her mother died a number of years ago. She said that she was active in church work and suffered through over confidence in a married man who was a member of the Bible class in the church she attended. She refused to give his name.

Five months ago, at this man's expense, she came to Chicago, saying she was going to study music. The temptations stopped a week ago. Her landlady ordered her from the house yesterday and Gladys was walking the streets, hungry, penniless and friendless when she tried to leave the baby she told the court. The court turned the woman and her baby over to a charitable organization which will care for them and investigate her story.

## KING ALPHONSO FEELS LOSS OF CANALEJAS MOST HEAVILY

**Death of Late Premier Leaves Mon-  
archists Without Parliamentary  
Leader.**

Madrid, Nov. 16.—The burial of the assassin, Manuel Pardinax, who committed suicide after he had shot King Alfonso, took place secretly at daybreak this morning.

It is the general view that the disappearance of the late Premier Canalejas leaves the monarchists in Spain without a great parliamentary leader and in a situation of great difficulty deprives King Alfonso of the counsel of a strong man on whom he relied fully.

The Spanish court is described in the press today as depressed and apprehensive of coming difficulties owing to the absence of an authoritative political leader.

King Alfonso himself appears to feel the loss of Canalejas the most, particularly as the late premier, with his liberal and democratic tendencies gave unity to the supporters of the monarchy and held together various factions which might otherwise have been hostile.

## EFFORT TO BREAK DOWN WOMAN'S TESTIMONY PROVES FUTILE

**Mrs. Kirby Persists in Statement  
That She Was Willing Tool in  
Game of High Finance.**

Chicago, Nov. 16.—Determined efforts made by attorneys in Judge Landis' division of the federal court to break down the testimony of Mrs. Margaret L. Kirby, wife of the head of the defunct Kirby Savings bank, were futile. She persisted in her statement that she was a willing and unsuspecting tool in the game of high finance her husband played which ended so disastrously for the depositors of the institution. A new element of mystery was added when William Wilson, chauffeur, told of having driven Mrs. Kirby around the city in company with Kirby and a "man with a black cat," just before the failure of the bank. It was on this trip that Mrs. Kirby was supposed to have handed her husband \$20,000. Effort will be made to connect the mysterious man with the "wire tappers" to whom Kirby alleges he lost the bank's funds.

Mrs. Kirby has not been questioned regarding the "man with the satchel."

Suit was filed today by an insurance company seeking the cancellation of a policy Kirby holds in favor of his wife. It would pay, in case of his death \$25,000 annually.

**ARRIVES IN ST. CHARLES.**  
St. Charles, Mo., Nov. 16.—Tony Jannus, the aviator, arrived here this afternoon in his hydro-aeroplane, from Jefferson City. He left Jefferson City, 110 miles from St. Charles at 2:13 o'clock and arrived here at 4:33 this afternoon. Jannus was obliged to stop at Hermann Mo. for a few minutes because of engine trouble.

Jannus has covered seven hundred and ten miles of his flight from Omaha to New Orleans and has been in the air thirteen hours and fifty minutes. He will leave St. Charles tomorrow morning for Alton, Ill., and from there he expects to fly to St. Louis.

**CHAMPAIGN RESIDENTS  
INDICTED**  
Champaign, Ill., Nov. 16.—Ray McManaway, Harry Kobel and Elmer Dillavoy, Champaign residents but not university students were indicted by the Champaign county grand jury today for participation in the riotous attack on the Walker opera house in Champaign October 19th. They gave bond.

The grand jury returned twenty-five true bills in all but no other arrests have been made. Besides the riot, students voting at local elections was investigated.

**WEATHER INDICATIONS  
AND TEMPERATURES.**  
Washington, Nov. 16.—For Illinois—Fair Sunday and Monday; moderate west winds, becoming variable.

**Temperatures.**  
Chicago, Nov. 16.—Current, maximum and minimum temperatures today were:  
Current, High, Low.  
Boston . . . . . 36 40 32  
Buffalo . . . . . 44 44 30  
New York . . . . . 38 44 38  
New Orleans . . . . . 56 62 46  
Chicago . . . . . 43 45 35  
Detroit . . . . . 40 46 26  
Omaha . . . . . 42 48 36  
St. Paul . . . . . 38 44 32  
Helena . . . . . 36 44 28  
San Francisco . . . . . 60 64 50

## C. & A. LIMITED KILLS THREE AT DWIGHT

### TRAIN STRIKES TRANSFER OM- NIBUS CONTAINING 6 PEOPLE

**Three are Dead and Three More Fat-  
ally Injured as Result of Accident  
—Aged Driver Thought to be Re-  
sponsible for Tragedy.**

DWIGHT, ILL., NOV. 16.—Three passengers of six riding in a transfer omnibus were killed and the other three probably fatally injured when the vehicle was struck and demolished by the westbound St. Louis Limited train on the Chicago & Alton railroad tonight. The dead are: James Gregory, 70 years old, driver of the bus.  
John Devere, 46 years old, Kankakee, Ill.

Miss Nettie Strickland, 36 years old, Lowell, Ind.  
Mrs. Mary Devere, wife of John Devere; Mary Devere, 9 years old, and Ethel Devere, 7 years old, daughters of the Deveres, were probably fatally injured.

The dead were ground under the train while the fragments of the omnibus from which the injured children and Mrs. Devere were taken were dragged some distance on the plot of the engine. One of the cars had to be jacked up to remove the body of Miss Strickland. She was decapitated by the wheels.

It is supposed that Gregory tried to pass in front of the train and was not aware how close it was to the station. Both horses were killed. The injured children and their mother were taken to a sanitarium here.

Mrs. Devere suffered internal injuries. Ethel Devere has a fractured skull and internal injuries. Mary Devere is injured internally and all three are bruised and lacerated.

## GRAND LODGE WILL MEET IN PEORIA

**Jacksonville Will be Represented in  
Big Meeting to be Held This  
Week.**

The I. O. O. F. Grand Lodge of Illinois will hold a three days meeting in Peoria, Nov. 19-21. Jacksonville will be represented, A. B. Williamson being the representative of Illinois No. 4 and W. C. Howe of Urania lodge No. 243, and Mrs. O. E. Tandy of the Rebekahs. Mrs. Tandy is a candidate for the office of Grand Warden.

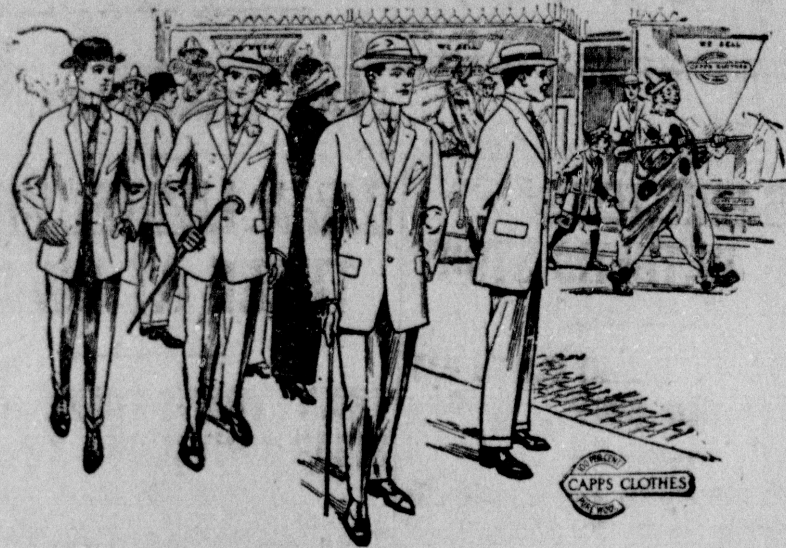

On Monday at 8 p. m. the first session will be held. At 9 a. m. Tuesday a school of instruction of the Grand Lodge will take place and the degrees will be given at 3 p. m. At 7 o'clock the address of welcome will be given by Mayor E. N. Woodruff, with Grand Master Hubbard and others giving speeches. Other business sessions will be held Wednesday and Thursday when the degree work will be given.

The program of the Grand Encampment runs through the entire three days. On Monday the Patriarchal degree will be put on by the degree star of Marsh Encampment No. 46, of Danville, and the Golden Rule and Royal Purple degrees by the same staff.

In the Rebekah assembly the Decoration of Chivalry will be conferred by Gen. James Henry Harris. On Tuesday there will be a school of instruction by Mrs. Mae E. Cromwell and from 8 to 9 p. m. a literary and musical program will be given in the Coliseum, in charge of Mrs. Myrtle W. Tandy of this city. From 9:30 till 12 a reception and banquet will take place at the Jefferson hotel. On Wednesday and Thursday regular sessions of the assembly will be held and exemplifications of the work given.

## PAVING WORK CAUSES DISCUSSION

Improvement on East Court Street Has Not Progressed In Satisfactory Way—Inspector and City Officials Make Statements.

The matter of the East Court street pavement has been for some time before the public and yesterday there was a meeting in the inspector and the board of local improvement and the board of local improvement comprising Mayor Davis, Commissioner Newman and Engineer Henderson.

James Donovan, who is inspector on the street, now maintains that a good deal of the paving is unsatisfactory and that insufficient materials have been used. He says further that he complained to the board of local improvement without avail. On the other hand members of the board of improvement state that the inspector repeatedly assured them that the work was all being done properly until a specific instance of poor foundation work was called to their notice and that this was promptly given attention.

There has been dissatisfaction regarding the work and the quality of material used, the quantity and various other matters. In the first place the board of local improvement say that in deference to the wishes of many residents who work on the hills to pay the cost of the foundation with sand and cement instead of crushed rock with sand and cement.

Several of the property owners claimed that the foundation was not rich enough in cement being so weak that it could be kicked loose with the foot and far too thin. The specifications called for four inches of foundation with gravel, sand and cement of proper proportion.

Mr. Donovan says he began to complain from the start of the quality and quantity of the foundation. The work went on and was well half finished, or perhaps a little more, when he made a special complaint regarding some sand and gravel. Engineer Henderson came and examined it and condemned it. The work went right on for several rods and complaint was again made and then the pavement taken up. Mr. Donovan alleges that the board of local improvement has not paid proper attention to his reports and complaints. At one time he says he called Engineer Henderson's attention to 75 feet of foundation that he considered wholly unsuitable and that the engineer ordered them to put some cement right over it and let it go. He says he several times gave orders to the men at work and they cursed him in reply. He feels much aggrieved over the matter and thinks he has been badly used.

Mayor Davis said they had tried to get some one owning property on the street to act as inspector offering the place to several. Mr. Stice among others, but no one would have it. He said Mr. Donovan did not call on him till he came to the bad gravel mentioned and the bad piece of pavement and he at once gave it his attention and blamed Mr. Donovan for not coming to him sooner.

Regarding this Mr. Donovan says his complaints were to Engineer Henderson and that he supposed the complaints to the engineer sufficient.

Commissioner Newman said he had gone to the street every day since the work began and Donovan had all along assured him it was going along all right. He says the city wants good work and good work only and he took what he supposed was the proper way to get it. He says as soon as Donovan complained to him that he at once took steps to correct the evil. He seemed surprised at all the trouble and complaint when Donovan had repeatedly assured him that all was going along all right. He says he repeatedly assured Inspector Donovan that he (Donovan) was in supreme command and all orders given by him to the workmen must be obeyed and he resents the accusation that any one was against Donovan or indifferent to the complaints.

Regarding the insufficiency of the foundation Donovan says it was due to the fact that the engineer failed to drive any stakes to guide the inspector in determining the thickness of the foundation which was frequently insufficient.

Engineer Henderson says he always responded to Donovan's requests and went to the street whenever called on. He inspected the gravel mentioned and condemned it and it was that which was placed under the pavement which was torn up. All the board of improvement say Donovan told them that back of the part torn up the pavement was all right and now he says he isn't satisfied with any of it.

As to the guide for the proper thickness of the foundation the engineer says no stakes are necessary and are not generally used. The side gutter of concrete is put in place and a line stretched from side to side gives a level, and measuring from that down is perfectly easy and simple, and he placed a line and demonstrated his words in the presence of the meeting.

Mr. Cherry, the contractor, has been sick and has not been about the work, but has trusted it to his men. He says he wants to do a good piece of work and not slight it and supposed he had men on whom he could rely all right. Regarding the claim that a person could dig up the foundation with the foot he says it takes two or three days for it to set.

The material used in the foundation of the pavement was taken up crushed and had chunks laid aside and the remainder left for use again. In the presence of the meeting, the material to be used was tested and seemed satisfactory and the proportion of cement was changed from one in ten to one in eight and the mixer adjusted accordingly.

The work is probably somewhat over half done and there is no doubt but that the rest will be done in accordance with the specifications.

It has always been supposed that crushed rock is the best with which to make foundation as gravel is apt

to be dirty and if not washed will not be solid and being smooth the concrete will not adhere to it. It costs about half as much as crushed rock and Mr. Cherry says he finds it in several of the specifications for work he is doing elsewhere and he thinks it makes a good job.

Those dissatisfied point to the public square which has been paved some 12 years and is practically all right with all the wear to which it is subjected and they claim it is best to stick to materials you know are all right.

## QUICK RELIEF FOR RHEUMATISM.

George W. Koons, Lawton, Mich. says: "Dr. Detchon's Relief for Rheumatism has given my wife wonderful benefit for rheumatism. She could not lift hand or foot, had to be lifted for two months. She began the use of the remedy and improved rapidly. On Monday she could not move and on Wednesday she got up, dressed herself and walked out for breakfast." Sold by L. P. Alcott, druggist, house.

Easy to be thankful if you buy your Thanksgiving linens at Hillerby's.

Turkey supper at Centenary church December 3.

## LITERARY SOCIETY.

Organization at Lynnville Gave Weekly Program.

The following program was given Friday evening by the Lynnville Literary society in the town hall: Music . . . . . Orchestra Recitation . . . . . Maggie Boston Reading . . . . . Frank Gordon Song . . . . . Lee Parker Solo . . . . . J. O. Parker Duet . . . . . Mabel Todd, Hazel Duckwall Reading . . . . . Mrs. Herring Duet . . . . . Dale Blackburn, Glenn Van Bibber Music . . . . . Girl's Chorus Address . . . . . Rev. George Burnett

It was planned to debate the question, "Resolved, That cold storage is a detriment to the country," but the debaters were not ready so it was postponed until the meeting three weeks from last Friday night.

An extemporaneous debate was held, the question being, "Resolved, That a high school or college education is not beneficial to the woman." W. G. Duckwell was the leader on the affirmative with J. O. Parker as responsible, and Maggie Boston was leader of the negative with Roy McKinney as responsible. The decision was given the negative.

They are beauties, those 25c china dishes. Claus Tea Co.

## HAS TYPHOID FEVER.

Leo Clowes, a former student of Illinois college but now principal of a high school in the southern part of the state, is ill at his home in Beardstown with typhoid fever. He is reported as improving.

## ADDRESS ON "PERSONAL HYGIENE."

Dr. C. C. Hopkirk will deliver an address on "Personal Hygiene" in Beecher Hall at Illinois college this afternoon at 2 o'clock under the auspices of the college Y. M. C. A. All the young men of the city are cordially invited to attend.

Easy to be thankful if you buy your Thanksgiving linens at Hillerby's.

Ask Garland & Co. to show you their Mackinaw Jackets.

## THIS WEEK ONLY.

An opportunity to buy dress goods cheap. \$1.00 and \$1.25 values in fancy wool dress goods, the best in our stock, at 89c. Floreth Drygoods Store.

## CORN HUSKING STORIES.

J. Franklin Brown, living north of the city, made a good record recently when he shucked 95 bushels of corn in one day. Corn is down pretty badly in some fields and in such cases 95 bushels is a good record.

Walter Carson, husking corn for Jerome Culp of Woodson precinct, husked in one day last week 105 bushels of corn in eight hours and shoveled it into the crib. Mr. Culp says if the young man had put in a full day he could have made it 125 bushels. The corn stands up pretty well and four cents a bushel is pretty good pay though the husker boards himself.

All our blends of roasted coffee are turned out with regard to their

## DRINKING MERITS

If we could combine good looks with drinking merit we would always do so but it is often the case when good drinking coffees are scarce. It is impossible to obtain the combination of good looks and good drinking quality. We have always found it policy to allow the looks to suffer but to keep up the standard of

## DRINKING QUALITY

It is much easier to turn out a good looking coffee than it is to turn out a good drinking coffee as it requires no expert to tell whether a coffee is pleasing to the eye but it does not require an expert and a very good judge to tell whether it is pleasing to the palate of the average coffee drinker. We make coffee a study and ourselves that we have established a reputation as one of the best judges of drinking merit.

## GRAND JURY HAS COMPLETED WORK

Made Report on Poor Farm Saturday—Various Indictments Returned.

The grand jury for the November term of court completed its work Saturday and made a report on the county farm which is printed below. A number of indictments were returned and several cases were ignored after the jury had made investigation. The most serious case which had consideration was that of Frank Stillwell, who was indicted for the murder of Washington Gurnells near Pegah last summer. An indictment was returned against Edward Petress, a Chicago & Alton employee, who is charged with taking some clothing from a freight car. Judge Thompson entered a number of orders Saturday in both law and chancery cases and they are noted below:

**Report on County Farm.**  
Jacksonville, Ill., Nov. 14, 1912.  
To the Honorable Judge of the Circuit Court, Morgan county.  
The Honorable Owen P. Thompson:  
Sir: We, the undersigned committee, appointed by the grand jury to investigate conditions at the county farm of Morgan county, Illinois, do hereby make the following report:

**Amount of Stock, Grain, etc. on Hand.**

Six head of horses, two mules, ten cows, one bull, nine yearlings, five spring calves, four young calves, seventy-five spring shoats, averaging 175 pounds per head, twenty-two fat hogs, averaging 380 pounds per head, twenty-five brood sows, one made hog, twenty-six fall pigs, 100 Rhode Island Red chickens, 200 Plymouth Rock chickens.

**Flour and Meat on Hand.**  
Stored at mill 4,220 pounds of flour, forty gallons of old lard, ham, bacon and other meats, enough to last until fall killing.

**Grain on Hand.**  
One hundred and fifty shocks of corn, sixty-five acres of standing corn, 1,400 bushels of oats, 13 tons timothy hay loose in barn; 4 tons of timothy hay, baled; 8 tons of straw, baled.

**Produce.**  
One hundred bushels of potatoes, 90 bushels apples, 500 heads cabbage, 40 bushels onions, 10 bushels beets, 2 barrels kraut, 500 quarts fruit.

There are now in the institution twenty-six male inmates and nine females, whom we find to be well cared for and well fed.

We, the committee, would recommend the following improvements: (First of all) install a water system, as the same is needed in the case of fire and for the health of the inmates; also that some concrete work is especially needed in the west work house and the walk adjacent to the main building. The front porch is badly in need of repairs and should be replaced with a good substantial structure for the convenience and safety of the inmates. We would further recommend that the buggy shed be fitted with a new covering. We wish to compliment Mr. and Mrs. Lewis on the condition of the farm and buildings, as we find everything in the best condition. The interiors of the buildings are clean and show the inside management is well attended to; also farm, garden and stock show that nothing is neglected.

We further recommend that a concrete dam be built in the pond which furnishes the water supply for the farm, feeling that it would be a saving to the county in insuring a good water supply for the stock. In case of fire, for an ice harvest and for a stock of fish. We believe that the cost of the dam would be saved in two years after its construction.

Since Jan. 1, 1912, there has been sold from the farm hogs, stock grain, price, etc., to the amount of \$1,483.

As a committee selected to report on the conditions, etc. at said farm, from our observations we would say that the appointment of Mr. Lewis and his wife as superintendent and matron at the farm is the placing

of the right man and the right woman in the right places.

To Mrs. Lewis we wish to extend a vote of thanks for the elegant dinner and courtesy extended to us during our visit to the farm, and to Mr. Lewis our thanks for his disposition to facilitate our investigation and help us in the same.

Signed by the committee:  
Watson Lock,  
E. N. Kitcher,  
A. A. Hart.

**People's Cases.**  
People vs. E. F. Johnston, rape. On people's motion cause continued.

Same vs. Everett Clampt, larceny. Ignored.

Same vs. M. J. and A. J. O'Meara, obstructing highway, ignored.

Same vs. Edw. Petrees, larceny. True bill found.

Same vs. John Doyle, larceny. Ignored.

Same vs. Wm. Swan, trespass. Ignored.

Same vs. Bart Gougherty, violation local option law, ignored.

Same vs. Emmet Johnson, larceny. Ignored.

Same vs. Wm. Grey, bootlegging. Ignored.

Same vs. Frank Stillwell, murder. True bill.

Same vs. Fred Conover, Bert O'Leary, Wm. Collins and Geo. Decker, gaming. True bill. Fred Conover entered plea of guilty and was fined \$10 and costs.

Same vs. Sam Omellas, selling liquor. True bill.

Same vs. John and Chas. Konrad, selling liquor. True bill.

**Law Cases.**  
David Estaque vs. receivers of Wash-bash. Demurrer sustained and leave to plaintiff to amend declaration.

Emma V. Becraft vs. Mutual Health & Accident Co. and Clover Leaf Co., trespass on case on premises. Demurrer sustained and leave to plaintiff to amend declaration.

Grand Avenue bank of St. Louis vs. Earl and C. L. Gates, assumpsit. Demurrer to declaration overruled. Motion of defendants for continuance for failure of plaintiff to file copy of account sustained.

**Chancery.**  
Minnie R. Welch vs. F. K. Welch divorce. Decree for complainant for divorce.

Maude E. Hargrove vs. J. L. Hargrove, divorce. Decree for complainant.

Geo. J. Day vs. Rose O. Day, divorce. Decree for complainant.

**Thousands of yards of Dress Goods and Silks and hundreds of pieces of Dress Trimmings will be closed out at Montgomery & Deppes's**

## THE PARK BOARD.

Managers of Nichols Park Discuss Various Matters—May Have Golf Links.

The Nichols Park board met Saturday morning and discussed various matters most important of which was the subject of golf links for the Country club on the park grounds.

It is the constant desire of the park board to make the place as useful and attractive as possible to the greatest number of citizens always within the law. No person may have the exclusive use of the grounds but the Country club fully understands this. They have asked for the use of the grounds in the southwest part of the park, a portion very little used, and extending eastward along the south boundary. They propose to keep the place or portion used in perfect order all at their own expense with the distinct understanding that any person, or persons who may want to play on the links have the right to do so as long as proper conduct is maintained.

It should also be remembered that golf is not like baseball or tennis, but several sets or groups of contestants may be playing at one time on the links without interfering with each other.

As a matter of course, should there be a tournament or any special gathering for a day no one would object to such gathering having the exclusive use of the links for that time, but it would be for a very short time only.

It is hoped that the park board will be able to grant the request of

## RICHELIEU

Both Phones 74

the Country club, which may buy land adjacent to the park and there erect a club house and so make still more useful and attractive this resort of the city. J. G. Reynolds made a committee to confer with the Country club on the subject.

The board discussed other subjects such as finance, plans for next year and various matters of a minor character. The bridge across the lake or old dam will have to be fixed and steps were taken to that end. Matters in general are in good condition with the board and the members point with honest pride

to the careful, economical and capable manner in which the money available has been used, a full report of which will be made to the city council in due season.

All kinds of fresh made chocolates at Howe's, E. State street.

## COMPAIGN WILL CLOSE TUESDAY

FINAL APPEAL FOR COMMERCIAL CLUB MEMBERS.

Chances Good That Four Hundred Mark Will be Reached—Workers Are Needed to Help Campaign.

A supreme effort will be made on Monday afternoon and Tuesday morning to finish in a whirlwind fashion the campaign to get 400 members for the re-organized commercial organization. The extending of the campaign is deemed necessary in the view that over 200 men have not even been solicited to join.

Less than fifty men have been shouldering the responsibilities of this campaign which is so vital for the upbuilding of Jacksonville. In talking of the campaign yesterday, Secretary Fritchey made the following statement:

There is not one business man in ten who should have the nerve to manufacture the thin business excuse that he has not the time to sacrifice and that he can afford to refuse to assist in making this undertaking a success. Give at least enough encouragement to the movement to report at the association rooms at 1 o'clock Monday afternoon or 9 o'clock sharp Tuesday morning. It is now time that we show our colors and take a positive stand. There have been too many of us who have been unconcerned over the civic problems which have confronted us, and have continually shifted the responsibilities on the few who have been compelled to assume them. Opportunities have we zealously seized to work against each other, and to further any selfish motive to benefit an individual ambition.

### Time For Activity.

The time has arrived when our knocking must cease, when our inactivity must take on action and our individual efforts must be united. It is our civic and moral duty to respond to the call for an organized effort and identify ourselves with the movement. Those who remain on the outside no matter how good their intentions are really opposing the progress which is essential. If previous attempts have not met with your approval and the whole scheme seems unsound, you can not provide a remedy by remaining indifferent, or on the least provocation to start throwing cold water on it. A willingness to make concessions and to sacrifice a little time and energy in helping to develop the city's commercial and industrial resources are attributes which all of us must acquire, if we do not possess them.

We have as enterprising and foresighted citizens as can be found in any city; what is needed is that we get together and do things. We are appealing to the men who sincerely love Jacksonville and believe in her future progress to join in this movement. At least must we put forth as great effort as other cities who are today forging to the front as commercial and industrial centers. This is the motive behind this campaign that we may awaken to our possibilities.

Nearly three hundred have signified their willingness to give their support and encouragement. Forget our little grievances of the past and keep in mind the future and this number can be doubled, as it should be. Elements of a minor nature afford material for excuses, but when we keep before us the greater things we are less prone to criticize. Come and lend your influence in this public spirited movement.

Hall, 2925 Olive street, St. Louis, Mo. Sold by druggists.

**JACKSONVILLE CIRCUIT.**  
Sunday services—Hebron, Sunday school, 9:30 a. m.; public worship, 10:30 a. m. Salem, Sunday school, 2 p. m.; public worship, 3 p. m.

**STANDARD REMEDY FOR WOMAN'S ILLS.**  
Now recognized the world over is Lydia E. Pinkham's Vegetable Compound, and fair minded physicians recognize its worth and do not hesitate to prescribe it.

For nearly forty years this famous root and herb medicine has been pre-eminently successful in controlling the diseases of women. Merit alone could have stood this test of time.

## FIGHTERS EXPECT A BUSY SEASON

HEAVY-WEIGHTS RENEW ACTIVITIES IN DECIDING HONORS.

Palzer, Thought to be Best of Coming "White Hopes," Will Meet McCarty Soon if he Manages to Best Flynn at Los Angeles, December 10.

(By Jas. J. Corbett, former heavy-weight champion of the world.)  
New York, Nov. 16.—(Special to the Jacksonville Journal)—There is a renewed activity in the ranks of the white heavy-weights that suggests a busy season ahead for the big fellows. With Johnson deposed by popular sentiment, and the Jeanette, Langford and McVey triumvirate showing signs of the wear and tear of hard campaigns, the "hopes" have taken new leases on life. Those who have already attained prominence are laying plans to make their aims and ambitions and designs on the heavy-weight title as profitable as possible.

Big Al Palzer, Tom O'Rourke's entry, probably the class of the bunch of ambitious youngsters, has hearkened to the call of the coin, and declared an armistice with the man who engineered the pugilistic campaigns of Sharkey, Dixon, Wolcott and other knights of the squared circle. Palzer held out for a long time and tried hard to force O'Rourke to relinquish the managerial reins, but found the legal game very expensive and harder to beat than reckoned on; then sensibly concluded to adjust differences with the veteran who has contributed not a little to his success as a pugilist.

O'Rourke plans to take Palzer west to meet the winner of the Jim Flynn-Luther McCarty battle scheduled for December 10 at Los Angeles. That is, provided McCarty is the victor. I understand Billy McCarney, Luther's mentor, has promised Tom McCarty, the coast promoter, to keep the big boy out there for a season if successful in the Flynn engagement. Should Fireman Jim emerge with the honors, however, it is likely the Palzer-Flynn contest will be staged right here in Gotham. Flynn has declared in favor of New York and the ten round bout.

McCarney, by the way, is an optimistic person and vows his green youngster will find Flynn no more of a task than Al Kaufman. Billy may find he's mistaken in estimating the fighting qualities of the sturdy ex-fireman, one of the toughest nuts to crack in the heavy-weight division. Beating a boxer already on the down grade is a different proposition from tackling one whose ambition has not been squelched. Kaufman was started on the tologran by this same Flynn, and given the final boot by Palzer. With no desire to take credit from the big Missourian, it must be admitted that when McCarty engaged the Californian in combat he was not facing Kaufman at his best; not by a long shot.

My opinion is Flynn's experience and aggressiveness will prove too much for Luther, a novice in comparison, and whose method of milling is not sufficiently vigorous to stop a man of the rushing-bull-dog style of the redoubtable Puellman.

It may be that I underestimate McCarty, but taking a line from New York performances I believe he has a lot to learn before he can trim Jim Flynn. Luther is a fine, big, and admirably constructed athlete, but evidently lacking in the fighting spirit his name suggests.

Palzer's long absence from the ring has cost the big Teuton a number of admirers who contend that the lay-off will injure his chances. Quite a few local sports have transferred their affections and are now touting "Gunboat" Smith, late of California, as a leading candidate for heavy-weight honors. And with very good reason, too, for the rate of improvement shown by the "Gunboat" the past few months is not too extravagant praise to say that he can give the best of the white men a good battle.

When Smith first dropped in on Gotham he was matched with the Brooklyn Goliath, Jim Stewart, a fairly clever boxer of about 225 pounds averted. Stewart was given the decision on that occasion, and by the way the rendering of the verdict cost Patsy Haley his referee's license and the National Sporting club its charter. However, not to digress, Smith at that time did not show much more than willingness to fight and cheerfulness in absorbing punishment that made a hit with the crowd. Yes, and a wild-swing that when it did land shook his gigantic opponent to the heels. As "Gunboat" weighed 170 to Stewart's 225, or thereabout, it can be imagined that he packed quite a healthy punch.

"Gunboat" has devoted much of his training stunts during the last five or six months to boxing, and that he has made considerable progress in that direction was demonstrated in the return engagement with Stewart a few weeks ago, when he completely outclassed the Brooklynite. So much so, in fact, that the bout was stopped in the seventh round to save big Jim.

If Harry Wuest, the Cincinnati light heavy-weight, lives up to the reputation he has established throughout the middle west, the "Gunboat" will get a stiff try-out when the pair meet in a ten round bout in this city next Wednesday. Wuest is no novice at the game; he has been boxing professionally for nearly two years and has defeated a number of good men, among them Tom McMahon, the Pittsburgh heavy weight. New Yorkers who have been given the privilege of watching Wuest at his local training quarters are favorably impressed with the westerner's chances.

Buffalo has a candidate for the heavy-weight race in George (One Round) Davis, who has been bowl-

# LUKEMAN BROS.

## CLOTHIERS

ing opponents over with deadly regularity since "debuting" professionally. "One Round's" latest feat was to duplicate "Gunboat" Smith's knockout of Jim Stewart in seven rounds. I understand an attempt will be made to match Davis with the winner of the Wuest-Smith bout.

Ad Wolgast put one over on his critics by signing to box Willie Ritchie Thanksgiving day at Cof. froth's San Francisco arena. Looks like Ad "chase" the hardest proposition of the whole bunch of 133 pound eligibles. Ritchie recently beat Joe Mandot over the ten round distance, according to those who saw the bout, although no official decision was given and the black mark does not stand against the southern boy in the record book. The way it looks to me is that Willie has an outside chance to wrest the laurels from the Michiganander. Not that I think he will be able to turn the trick, as the champion gets better the longer the battle, but I regard Ritchie as the most promising material among the younger lightweights.

I note where Tom Jones, Wolgast's manager, is out with a "spiel" in which he claims that a western fighter is always given the worst of the "newspaper" or "popular" decisions in New York and Philadelphia where the laws do not permit referees to pick the winners. Jones waits that a visitor, to get all that's coming to him, would be forced to knock an opponent cold, especially if boxing a local man.

So far as Mr. Jones and his champion and this town are concerned, I must say there is ground for complaint. But I take exception to the statement that all visitors are given the raw end when boxing local boys. Take Mike Gibbons and Eddie McGorty, both westerners, for example. They have not been treated unfairly in the matter of expert opinion. With Wolgast, however, it is about the way Jones puts it. Ad and his manager, for some reason or other, are not favorites in newspaper circles, and as a result when the champion boxed here with K. O. Brown the majority of the critics awarded the verdict to the local boy, although a draw was the very worst Wolgast should have been given. Johnny Kilbane is another who has suffered at the hands of the local press. It may not show the proper sporting spirit to permit personal prejudice to influence a man in rendering a decision in a boxing match, but I guess it is "human nature" to do so.

Battling Nelson as to box here Thanksgiving day with either Leach cross or "One Round" Hogan. I don't know how much fight there is left in the Battler but the old spirit is still there.

Ad Wolgast and Packey McFarland met in the ring recently, but not in actual combat. The boys were posing for the "movies." I rather fancy that is about as close as they will ever come to a meeting.

James J. Corbett.

### CONSERVATORY NOTES.

The faculty recital, which was to have been given on Friday evening, Nov. 22, in Northminster church, has been postponed and will probably take place the second week in December. The exact date will be announced later.

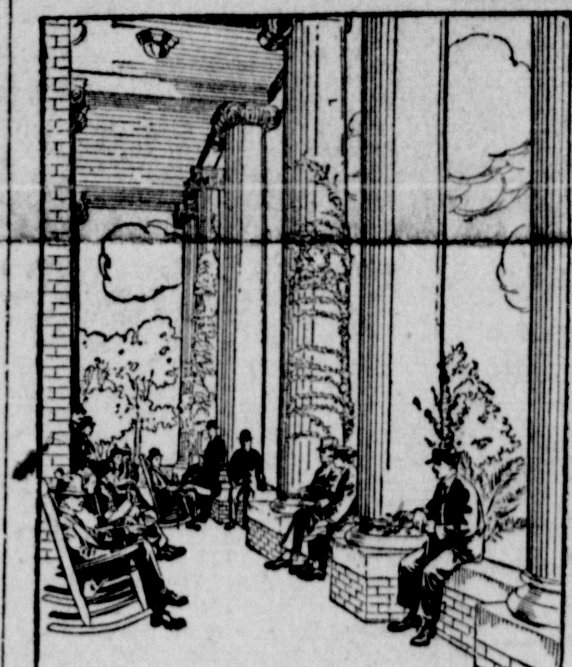

Mr. Munger spent Sunday, Nov. 10, in Springfield.

Miss Edith Robinson will act as accompanist for Miss Mabel Mat-

# DISTINCTION

in dress is regarded by the modern man as not a luxury, but an essential ---not an expense but an investment.

When looking for furnishings you can't beat us; hats too. Add to your happiness by wearing a hat that really fits; style unsurpassed.

Piazza of Hotel Livingston, Keeley Institute, Dwight, Ill. Beautiful location. Delightful surroundings. Finest accommodations and care. Fireproof. Equipped with every modern convenience for comfort and safety.

# Drunkenness Is a Disease and We Can Cure It

It was at Dwight, Illinois, that Dr. Leslie E. Keeley made his famous declaration: "Drunkenness is a disease, and I can cure it." It startled the world, and aroused the incredulity of millions. BUT IT WAS TRUE! And it brought new hope and new life to thousands of despairing souls and suffering homes.

## 400,000 Men Saved From Drink Disease

Since that memorable day—thirty-two years ago—400,000 men have won the victory over liquor through the Keeley treatment.

And thousands more are daily breaking their chains and "getting a fresh, clean start."

Dr. Keeley proved, conclusively, that drunkenness is a disease caused by constant use of alcohol, wherein "the nerve cells have become so accustomed to performing their duties and functions under the influence of alcohol that they are dependent on it and will no longer perform those duties and functions properly and painlessly except when under its influence."

We also cure Opium, Morphine and other drug addictions. The drug is withdrawn gradually and there is no shock, collapse, prostration or sickness. Full particulars in plain, sealed envelope on request.

### The Famous "Keeley Cure"

The Keeley treatment—known the world around as "The Keeley Cure"—is simply the application of reconstructive nerve tonics which restore the nerve cells to their normal, natural condition.

The treatment produces no sickness or nausea. It demands no restriction or confinement of patients. It has absolutely no ill effects.

Home Remedies are prepared and sold by us for the cure of the Tobacco Habit and many forms of nervous troubles. Send for printed matter today.

We have a Chicago office, Suite 906 Rector Building, 79 W. Monroe Street, where arrangements may be made.

threw at a musical to be given in Springfield early in December.

The monthly recitals for the benefit of the students will begin this week. Through these recitals the performers become accustomed to public appearance and the audience is made up of students only.

Miss Ferris of Springfield visited Miss Robinson's class last Friday morning.

Mr. French will be unable to conduct the chorus on Monday evening on account of absence from the city, and Mr. Munger will take his place.

### JUSTICE COURTS.

John Cannon, who was arrested on a charge of assault, with Mrs. Maggie Barton as complainant, was taken to Squire Coons' court Saturday, where he was put under bond

### ATTENTION COURT OF HONOR.

Members of Court of Honor are requested to meet in their hall on south side of square, Monday night, Nov. 18 at 7:30 p. m. Business of importance. Refreshments free.

## NOTHING EQUALS S.S.S. FOR OLD SORES

Nothing equals S. S. S. as a cure for Old Sores because nothing equals it as a blood purifier. The source and supply of every chronic sore is impure blood; the circulation is infected with germs and morbid accumulations which are being constantly deposited into the open place. This causes ulceration and inflammation of the flesh tissues and produces a condition upon which salves, washes, lotions, etc., can have no curative effects. The blood must be purified of all infectious matter before the circulation can nourish the flesh tissues and stimulate them to the healthy condition necessary to heal the sore. S. S. S. heals old sores by going down to the fountain-head of the trouble and driving out the germs and morbid matters which are keeping the ulcer open. Then as new, rich blood is carried to the place, the healing begins, all discharge ceases, the inflammation leaves, new tissue and healthy flesh are formed, and soon the ulcer is well. You are not wasting time when you use S. S. S., but you are giving yourself the benefit of the very best treatment for old sores. Book on Sores and Ulcers and any medical advice free. S. S. S. is sold at drug stores.

THE SWIFT SPECIFIC CO., ATLANTA, GA

## Modern Cleaning Methods

We have installed the best and most up-to-date machinery for cleaning. The most delicate goods come from our plant looking new and fresh.

We make a specialty of cleaning and dyeing clothing for men and women and our process is highly successful.

Cottage Cleaning Works  
N. West Street.

## LADIES' TAILORING

Suits and Coats to Order

500 samples to choose from, also from your own cloth. Cleaning, altering, repairing. Improved machinery, best work.

C. V. FRANKENBERG  
SOUTH-EAST CORNER SQUARE

## Keeping Down The Cost

The best way to keep down Fuelcost is to buy the right coal. We learned the facts about coal quality from many mines before we placed our orders. We wanted the best Illinois coal and we have it for you. Big, lumpy, clean, Carterville and Springfield coal at the prevailing prices.

## BADGERS ARE "BIG NINE" CHAMPIONS

DOWN GOPHERS BY SCORE OF 14 TO 0.

Two Touchdowns and Goals in Second Quarter Spell Defeat for Last Year's Middle Western Champs.

Minneapolis, Nov. 16.—Fourteen to nothing was the way Wisconsin today walked over the Minnesota team, last year's "Big Nine" champions. A touchdown on a line smash by Tandberg early in the second quarter followed soon afterward by a touchdown by Captain Hoeftel on a forward pass from Gillett on both of which occasions Gillett's trusty toe added a point on goals kicked, spelling the story of the defeat of Minnesota's team. The teams were practically equal in weight but Minnesota displayed a tendency to fumble and was weak in the handling of the forward pass. Never since the old time rivalry between Michigan and Minnesota has there been such interest in a Minnesota game as was evidenced today, a crowd estimated at 20,000 filling every available space at Northrop field.

Wisconsin's driving backs, Bright, Tandberg and VanRiper, stand out as the particular stars of Wisconsin. Tandberg, Gillette showing up but little except in his booting which was greatly superior to that of either Shaughnessy or Hayward. While Wisconsin's backs won the game for the Badgers its line until the last quarter presented a stone wall to the Gophers' fierce attack, concealed behind the Minnesota shift. After Wisconsin had gained their fourteen points the Gopher line also stiffened and their tackling, which had been weak also improved. Then it became a tugging battle between Gillette and Shaughnessy and occasionally Hayward with the Wisconsin man having the better of the argument.

Only in the last ten minutes of play did Minnesota's attack prove so dangerous that it threatened the Badger goal. Securing the ball on their own twenty yard line when Gillette's try for a field goal had failed, Minnesota started a steady march down the field, Hayward using the shift principally and working McAlmon hard. On Wisconsin's 10 yard line however, the Cardinal line held for two downs and then the time keepers whistle announced the end of the game.

Michigan Defeats Cornell. Ann Arbor, Mich., Nov. 16.—Suddenly shifting from the old fashioned game to brilliant open play, Michigan scored two touchdowns in rapid succession in the fourth period of today's football struggle with Cornell and closed the season with a 20 to 7 victory. It was anybody's game when the final period started. A forward pass had given Michigan a touchdown in the first quarter and a similar play helped Cornell to tie the score in the second period. In the third quarter neither team scored but time and again Cornell forced Michigan back toward her own goal posts. Twice Butler attempted short place kicks and twice he failed.

Michigan braced wonderfully in the final period. Aided in punting by the brisk wind, the Wolverines became the aggressors and a Cornell fumble in mid-field paved the way for victory. Craig gained 25 yards on a delayed forward pass and a long pass, Torbet to Pontius gave Michigan scored two touchdowns in The punt out went wide. Then came the spectacular play of the game. Hill punted to Quarterback Huebel who after dodging his way through the Cornell team, ran sixty yards for a touchdown. Patterson goal.

Pennsylvania Downs Indians. Philadelphia, Nov. 16.—Placing a fast game from the beginning the University of Pennsylvania football team gained a victory over the Carlisle Indians this afternoon by a score of 34 to 26. Until the middle of the last period the final result was in doubt. This is the first defeat for the Indians this season. Pennsylvania started off with an early lead but the Indians drew up to within one point of the red and blues total. But this was as near as the redmen could get. Pennsylvania started again and by adding two more touchdowns and goals they put themselves in a safe position.

Iowa, 20; Ames, 7. Ames, Iowa, Nov. 16.—Football players of the University of Iowa in a Titanic struggle here this afternoon, defeated Ames, 20 to 7. Ames had the best of the first quarter, although neither team scored. Iowa found in this session that Ames was failing to tackle in the open and loosened its shift. The second quarter saw a touchdown by McGinnis and a 55-yard sprint by Dick for a score. Parsons kicked both goals.

Ames came back strong in the third quarter and battled Iowa back to its goal line, Cowan making the score on a forward pass. The final quarter was all Iowa's, Kirk making a touchdown after a long run.

DePauw, 17; Butler, 3. Green Castle, Ind., Nov. 16.—DePauw defeated Butler here this afternoon, 17 to 3.

## ATTEMPTS TO SETTLE CASE OUT OF COURT

Calls on District Attorney in Effort to Reach Agreement in Connection With Charges Against Him.

Chicago, Nov. 16.—Jack Johnson, champion pugilist, today visited United States District Attorney James H. Wilkerson in person in efforts to effect a settlement in connection with the criminal charges now resting against the negro in Judge Landis' court.

Johnson, it was said, attempted unsuccessfully to reach an agreement with the government whereby he could settle the case under the Mann act by pleading guilty and paying a large fine. The fighter intimated that he had made his call on Mr. Wilkerson against the advice of his counsel.

The negro entered Mr. Wilkerson's private office much disturbed over the charges against him. He said to have admitted that he feared to go to the penitentiary. He was informed that such would be the penalty in event of conviction.

"I don't like the looks of that," he was quoted as having said. He then assured the federal district attorney that no matter what happened he intended to remain in Chicago and "face the music".

## RESULT OF FOOTBALL INJURY.

Tacoma, Wash., Nov. 16.—Famous eight years ago as a plunging half back on the University of Minnesota football eleven, Harry Asselen was committed today to an asylum for the insane at Fort Steilacoon. His trouble, it is stated, resulted from an injury received on the football field, from which he never recovered. Thrown on his head his spinal column was severely wrangled. Soon afterward he left college.

## CHICAGO DEFEATS STATE UNIVERSITY

PROVES TOO STRONG FOR ILLINOIS AND WINS, 10 TO 0.

Result Relegates Illinois to Fourth Place in Final Standing—Chicago and Minnesota to Fight for Second Place Next Saturday.

Champaign, Ill., Nov. 16.—Second place honors in the "Big Nine" football race will be fought out between Chicago and Minnesota at Chicago next Saturday. Chicago's 10 to 0 victory over the University of Illinois here today put them in the running for second place and relegated the local eleven fourth place in the final standing.

Chicago's scores were the result of a touchdown, a goal from touchdown and a place kick. Kennedy went over the line for the touchdown in the first period after Gray had placed the ball on Illinois' 3-yard line on line plunges. Sellers kicked goal.

First quarter—Norgren kicked off to Rowe who returned it to the Illinois 30-yard line. A forward pass by Silkman was intercepted by Kennedy, but Chicago was forced to punt. Chicago in return held Illinois for downs. An exchange of punts followed, Silkman having a slight advantage due to the wind. Chicago worked its way to the Illinois 30-yard line and a forward pass by Norgren to Gray put the ball on Illinois' 3-yard line. Kennedy went over for a touchdown and Sellers kicked goal. Chicago kicked off to Woolston and the quarter ended with the ball in Illinois possession on its 25-yard line.

Second quarter—Chicago held on the 25-yard line and Silkman punted 30 yards to Lawler. Woolston intercepted a forward pass, but Illinois did not gain. Rowe punted to Lawler and a double pass by Chicago was broken up. Norgren punted to Silkman on Illinois 25-yard line. Illinois was penalized 15 yards and Rowe punted out of bounds on his 30-yard line. Chicago failed to gain and Sellers dropped back for a place kick but the pass was too high and was fumbled by Norgren. Illinois recovered the ball and Rowe punted to Lawler on Illinois' 45-yard line. Three long forward passes by Chicago were broken up and Norgren punted to Illinois' 15-yard line. Captain Woolston and Rowe carried the ball to their 35-yard line. Time was called and the first half ended. Neither team gained consistently. Silkman was injured in the second quarter and Norgren outplayed Rowe. The Illinois could not gain and Rowe punted to Chicago's 45-yard line. Chicago made it first down on off-tackle plays. Here the Illinois line held and Rowe punted to the center of the field. Lawler was thrown for a loss on a series of cross-backs, and a long forward pass was caught by Rowe on Illinois' 22-yard line. The Illinois could not gain and Rowe punted to Chicago's 45-yard line. Chicago made it first down on off-tackle plays. Here the Illinois line held and Rowe punted to the center of the field. Lawler was thrown for a loss on a wing shift and a forward pass by him failed. A 30-yard forward pass by Chicago placed the ball on Illinois' 20-yard line. Illinois held for two downs and Sellers kicked the ball over for a place kick. Chicago kicked off to Silkman who was downed on his 20-yard line. The third quarter ended with the ball in Illinois' possession.

Last quarter—An end run around left end by Dillon netted 15 yards. Illinois was penalized 15 yards. Chicago was off-side and was penalized five yards. A forward pass was intercepted by Desjardins. Lawler, trying for a forward pass was thrown for a loss of 15 yards. Norgren punted to Silkman on Illinois' 30-yard line. Rowe gained 12 yards around right end on a shift play. Hill took time out and was replaced by Mathers. Silkman punted to Lawler on his 20-yard line. Lawler punted back to the 45-yard line. A forward pass, Silkman to Wilson, put the ball on Chicago's 20-yard line. Silkman tried a forward pass over the goal line, but failed and Chicago put the ball in play on their 20-yard line. The Chicago backs tore through the Illinois line for substantial gains and carried the ball to the center of the field. Norgren punted to Silkman on his 30-yard line. A forward pass—Silkman to Woolston—and a shift play put the ball on Chicago's 45-yard line. Silkman punted to Chicago's 15-yard line and Lawler punted back to Silkman. Senneff and Dillon carried the ball to Chicago's 35-yard line. Kennedy intercepted a forward pass on his 35-yard line. The game ended with the ball in the possession of Chicago on their 25-yard line.

Morningside, 14; St. Joseph, 3. Sioux City, Iowa, Nov. 16.—Morningside swamped St. Joseph's college of Dubuque on Bass field today, 14 to 3.

In Line for State Championship. Alledo, Ill., Nov. 16.—William and Vashli college demonstrated the validity of its claim to the Illinois state football championship of minor colleges today when the team rolled up a score of 95 to 7 over the DePaul University team from Chicago.

Captain Clinch's men fought a determined battle, but were outclassed in speed, science and brawn.

Purdue Swamps Rose Poly. Lafayette, Ind., Nov. 16.—Purdue overwhelmed Rose Polytechnic here this afternoon on Stewart field, the score at the close of the game being Purdue 91; Rose Polytechnic 0.

The visitors were badly outclassed from the very start and Purdue made many changes in the line up.

## This Flour Contains Buttermilk

## PRINCETON YALE GAME A TIE

TEAMS ARE EVENLY MATCHED AND NEITHER MAKE TOUCHDOWN.

All Scoring Was Done on Goals From the Field—Pumpelly's Great Field Goal From Mid-Field Ties Score For Yale.

Princeton, N. J., Nov. 16.—Princeton and Yale in their annual football battle on University field, today played each other to a six to six tie. So evenly were the teams matched that neither had the power to rush the ball to a touchdown.

Each team put up a stonewall defense and all the scoring was done on goals from the field and a goal from placement.

The result of the struggle was unsatisfactory to both sides and especially to the thousands of Princeton rooters who saw the game slip from the hands of the fighting Tigers in the last few minutes of play.

The hero of the game in the eyes of Yale was Pumpelly, who, coming into the game for the second time when everybody expected to hear the time keepers whistle blow, giving Princeton a victory, booted the ball for a field goal from the 50-yard line, tying the score.

It was one of the most remarkable goals from the field ever seen on the Princeton gridiron. No one expected Yale would try for such a score with the ball in mid-field. The time was short and it was a case of do something heroic or lose. Yale took the chance and won.

Giving a signal apparently for a punt, Pumpelly, who had but a few minutes before taken Merkle's place at right half, dropped back and received a perfect pass from Ketcham.

Pumpelly dropped the ball and then booted it on the rebound. Hardly anyone expected to see the ball soar to the goal post. But it quickly began to rise and on a dead straight line toward the goal. "Stew" Baker the little Princeton quarter back and held his hands up ready to catch the ball but the more he backed the nearer he got to the goal line and finally he backed over the white-wash mark just as the ball sailed between the posts.

As the ball cleared the bar Referee Neil Snow of Michigan, threw up his hands indicating that the score had been made and the thousands of Yale rooters realizing that the daring kick had tied the score sent up a tremendous cheer. The Yale substitutes turned somersaults on the side lines and Pumpelly was almost carried to his position by his fellow players.

For Princeton the hero of the game was Hobert Baker who made both of the "black and oranges" field goals.

Both were easy chances and came in the second period. Flynn, the tall full back of Yale team was the first man to make a score. In the first period he kicked a goal from placement from within the 25 yard line.

Princeton surprised Yale by the aggressiveness of her attack and the strength of her defense. Yale's line had been heralded as being almost impossible of being penetrated, yet the Tigers nearly every time they smashed into it made a gain.

The trouble was they could not keep up the terrific pace and weakened as they neared the Yale goal line. The Tigers got the ball within the blues 10 yard line in the second period and being unable to carry it over, Baker tried for the field goal and made it. In the first two periods Princeton slightly outplayed Yale in all departments except kicking in which Flynn had a decided advantage over DeWitt made but few downs in the two periods and resorted to much kicking as he had a strong northwest wind at his back. In the third and last periods however, the Yale men took a decided brace and penetrated the Princeton line with greater success.

Outside of the stubbornness of the defense on each side and Pumpelly's great field goal, there was nothing remarkable about the game.

**Pennsylvania Boys "Rough."**  
Columbus, O., Nov. 16.—Five minutes before the end of the game between Pennsylvania state college and Ohio state university after the easterners had outplayed the local team by a score of 37 to 0, Coach Richards of Ohio state, withdrew his men from the field because of alleged rough playing and officials awarded Pennsylvania state the game by the score of 1 to 0.

Frequently during the game the Ohio coach objected to the "unnecessarily rough playing" of the visitors. When one of his men was tackled hard, Richards became angry and called the Ohio state team from the field and refused to allow the men to continue playing.

**St. Louis Defeats Marquette.**  
St. Louis, Nov. 16.—The St. Louis university football team defeated the Marquette university team of Milwaukee here today by a score of 20 to 6.

Zachritz, St. Louis, fleet footed left half back scored two of the three touchdowns made by his team and Maguire kicked two goals.

**Lake Forest 26; Monmouth 0.**  
Lake Forest, Ill., Nov. 16.—Lake Forest closed its season here today by defeating Monmouth 26 to 0. The first touchdown was made two minutes before the final whistle.

Monmouth was unable to do an effective work against its opponent's defense. The field was muddy and slow, preventing any fast work. Kitteringham's thirty yard run for the last touchdown ended the game. McKee missed the goal.

**Nebraska 14; Kansas 3.**  
Lincoln, Neb., Nov. 16.—After battling for three periods here this afternoon in their nineteenth annual football contest, Nebraska scored two touchdowns in the fourth quarter after Kansas had kicked a field goal and won by a score of 14 to 3.

## SHURTLEFF WAS AN EASY WINNER

TOOK ILLINOIS COLLEGE INTO CAMP 31 TO 0.

Locals Put up a Plucky Game But Were Outclassed by the Altonites—Wheeler and Moore of Shurtleff Receive Bad Injuries.

Starting in the game with whirlwind action and displaying a stonewall front, Shurtleff college easily won the football game Saturday afternoon against Illinois college, the score being 31 to 0. Occasionally Illinois displayed some brilliant work but it came in such long intervals that it failed to net the locals much ground. Especially in the second quarter did the Illinites seem to get into the game with more ginger, but the spurt did not last long.

Shurtleff has a team composed of big fellows, outweighing Illinois several pounds to the man, and their team work was far ahead of Illinois. While occasionally gains were made through their line, as a whole it stood. Shurtleff was never forced to put forth their biggest effort for their goal was never badly threatened.

Illinois' right wing appeared to be weak and this the visitors soon discovered so they pounded away on that side with a vengeance. Snoggrass, who has perhaps played on the Shurtleff team for six or seven years, is a veritable cyclone.

He was busy the star of the visitors and he ploughed through the line time and time again for big gains. Nothing seemed big enough to stop him and he always emerged from the play with a satisfied smile on his face. Kauffold was another good line plunger for the visitors.

Illinois put up a plucky game, but they were clearly outclassed. Tandy made several brilliant tackles and broke up a number of Shurtleff's well laid formations. Sorrells was also in the game for good gains and the work of Gary at quarter, who succeeded Stewart, brought the glad hand from the crowd. Shurtleff was crippled almost from the beginning when Wheeler, left end, was knocked out. He was carried from the field and later removed to Passavant hospital. He received internal injuries in the region of the kidney and it is difficult to ascertain just the extent of his injury.

Moore, right halfback, was also knocked out and taken to a physician with a badly sprained ankle.

Coach Harmon announced yesterday that the game next Saturday against Christian Brothers college, St. Louis, had been cancelled and that Normal would fill in the date.

**Story of Game.**

In the first half Illinois kicked off. Moore receiving the ball, carrying it back 5 yards. With three fierce line plunges by Kauffold, end runs by Moore and Sutton, Shurtleff advanced the ball steadily toward goal and six minutes after the game started Kauffold went over for a touchdown. Snoggrass failed to kick goal, the score being 6 to 0.

Shurtleff kicked off to Hall and the sturdy little quarterback of the locals with good interference carried the ball back a good distance. A forward pass was incomplete by the locals, who punted, Sutton getting the ball. Shurtleff followed this by a fumble. Russel went round end for a gain and Wheeler in attempting to tackle a man received a bad injury and he was replaced by Fleck. Eorrells in making a five yard gain through the line was hurt and replaced by Furr until the end of the second quarter.

Jacksonville was forced to punt and Snoggrass received the ball and carried it back for ten yards. Moore made another gain through Illinois' line and the locals were penalized five yards for holding. Several see-saw movements were indulged in when the quarter ended.

In the second quarter goals were changed and Snoggrass started the fireworks for the visitors by making ten yards, Sutton followed with good gains on end run, Moore added another five, when Hall took the ball over the line for a touchdown. Hall failed to kick goal, the score being 12 to 0. Shurtleff kicked to Illinois and Illinois returned the kick, Moore taking the ball back for a good gain but was hurt in the attempt and was replaced by Miller. By line plunges Shurtleff worked the ball to within short distance of goal when the visitors were held for downs. Illinois kicked out of danger. A forward pass was incomplete.

Snoggrass was handed the oval by visitors and was making a pretty getaway when tackle by Tandy, the Cardinal team defeated Minnesota 14 to 0. Wisconsin is champion and Minnesota and Chicago, each of which has been defeated by Wisconsin will play next Saturday for second honors. Illinois failed to stop Chicago today and the best the locals can do now is fourth place.

The championship won by Wisconsin today was earned by superiority in every department of the game. The class of the Madison team was demonstrated in every game it has played this season and its series of victories has been decisive in each case. The Wisconsin attack against Minnesota was the hardest that has been seen on a conference gridiron this season.

Going against a team of almost equal strength the Cardinal backs plunged into the line with such effectiveness that the Minnesota backfield had to be drawn forward to reinforce the line, leaving Minnesota without a secondary line of defense. Credit is due to Minnesota for its stubborn fight. The team rallied in the final quarter and had the ball on Wisconsin's eleven yard line on a first down when the last whistle blew.

On the form displayed against Wisconsin, Chicago has an even chance to wrest second honors from Minnesota next Saturday on Marshall field. The mid-way team lost to Wisconsin 30 to 0 and Minnesota was defeated today 14 to 0.

Chicago had a comparatively easy

past the goal posts by a pretty forward pass. Johnson kicked a good goal, the score being 25 to 0.

Shurtleff's last score came about in this manner. Shurtleff kicked off to McLaughlin, who carried the ball back about five yards, followed with an end run of good length by Gary. Shurtleff held the locals for downs. Again the visitors' machine commenced to grind and with Kauffold and Snoggrass going at a good speed the latter carried the ball over for a touchdown, score 31 to 0.

During the last of the game Illinois restarted more to open field plays which netted them good gains. Shurtleff also began to use the forward pass more freely and did more open field work. They did more punting in the last five minutes of the game than all the rest of the time. Neither side made consistent gains and time was called with the ball in the middle of the field.

The following was the line-up:  
Shurtleff Position Illinois  
Wheeler.....l. t. ....McLaughlin  
Scanlan.....l. t. ....R. Russel

**FOOTBALL HONORS GO TO WISCONSIN**

Championship is Earned by Superiority in Every Department of the Game—Badged Victories Have All Been Decisive.

Chicago, Nov. 16.—The first honors in the conference football season went to Wisconsin today when the Cardinal team defeated Minnesota 14 to 0. Wisconsin is champion and Minnesota and Chicago, each of which has been defeated by Wisconsin will play next Saturday for second honors. Illinois failed to stop Chicago today and the best the locals can do now is fourth place.

The championship won by Wisconsin today was earned by superiority in every department of the game. The class of the Madison team was demonstrated in every game it has played this season and its series of victories has been decisive in each case. The Wisconsin attack against Minnesota was the hardest that has been seen on a conference gridiron this season.

Going against a team of almost equal strength the Cardinal backs plunged into the line with such effectiveness that the Minnesota backfield had to be drawn forward to reinforce the line, leaving Minnesota without a secondary line of defense. Credit is due to Minnesota for its stubborn fight. The team rallied in the final quarter and had the ball on Wisconsin's eleven yard line on a first down when the last whistle blew.

On the form displayed against Wisconsin, Chicago has an even chance to wrest second honors from Minnesota next Saturday on Marshall field. The mid-way team lost to Wisconsin 30 to 0 and Minnesota was defeated today 14 to 0.

Chicago had a comparatively easy

# Bell System

**YOU can go from Jacksonville to Chicago in a day.**

**You can make the trip to Decatur in a few hours and these are pleasant trips.**

**But when you want to get word from Chicago and Decatur in a hurry, the logical route is over the Bell Long Distance and the Central Union Telephone Company Lines.**

**Three minutes' talk to Chicago costs \$1.25, to Decatur 40c. Call "Long Distance."**

**Manager's Telephone 250**

**E. J. Howells, Manager**

**A GLOVE you have been looking for; a rare thing to find. We have the agency of a non-rip Glove.**

**\$1.00 to \$1.50 per Pair**

**Regular quality. Any pair that rips replaced by a new pair. Ask for the No-Rip Glove.**

**Now is the time for Winter Underwear. Wool 2 piece Union Suits, medium and light weight, Merino, worsted and wool silk and wove.**

**Dress the Boys Warm.**

**Ulster Overcoats, Sweaters, Underwear, Caps, Pajamas, Nighties and Dr. Denton's one piece Sleeping Garments**

# MYERS BROTHERS

## If You Don't See the Advantage

of owning a farm in the Big Horn Basin, it is undoubtedly due to my inability to properly describe the country, crops, climate, etc.

Now here is a proposition for you. The Burlington Route will run Special Homeseekers' Excursions to Powell, Wyoming, on November 16th and December 3rd. If your fall work is in good shape, why not arrange to go with me on one of these excursions and see these rich farm lands, irrigated by the Government, where you do not have to pay a profit to anyone? All you have to do is to return to Uncle Sam the actual cost of irrigation during the next 12 years—and that without interest. There you can see nearly 12,000 acres of alfalfa now in stack. It is a wonderful showing and to tell you better than I can, what you could do on a homestead there. Within four miles of Powell you can still secure just as good farms as those now growing these bumper crops.

Get a copy of our illustrated folder from your local agent, or write me and I will tell you how to join these parties.

D. CLEM DE AVER, Immigration Agent, Room 361 Q Bldg., Omaha.

**Burlington Route**

J. C. Bergschneider of Franklin made his family happy yesterday with a fine, new McFarland six, which he bought of David Estaque.

Henry Coultas and family came to the city yesterday from Lynnville in an Oakland car.

Mr. and Mrs. Chas. Ranson, residing in the southeast part of the county were in town yesterday in their Mitchell car.

W. D. Hitt and wife of Merritt visited friends in the city yesterday, coming in their Ford car.

An exchange says a man named Temple, living in Sidney, Ill., has invented a tire which is unique in that no pneumatic force is used. Six springs on the inside of the tire are used as a substitute, the spokes and hub of the tire are like those of the ordinary wheel, but at the rim there is a great difference. The first rim is of aluminum, with an outer rim of steel, fitting into it. Into the two rims and in play with the six springs runs a solid truck rubber. The inventor claims that it is several pounds lighter than any of the tires now in use. He says that it also may be made much cheaper and will last several times as long as the present tire. Also with the Temple tire a motorist who does not like the work of changing tires need not fear to go on a long journey.

THE TEMPERATURE.

The temperature for Saturday, according to G. H. Hall, weather observer at Alexander, was: maximum 46, minimum 30.

The ladies of the Congregational church will hold their annual Thanksgiving market on Tuesday, November 26, at Rayhill's store. English plum pudding, fruit cake, pies, doughnuts, mince meat, etc. Everything you will want for your Thanksgiving dinner.

Harry Obemeyer will spend today in Peoria.

## GREAT WEALTH IS HIDDEN IN EARTH

D. K. McCarty Tells About Big Sum Which Is Buried Here in Jacksonville—People Seek for Gold in Historic Cracker's Bend.

D. K. McCarty of Cracker's Bend has written to the Journal the following interesting story of buried treasure. Mr. McCarty has been talking with an old Morgan county settler who told him about \$23,000 hidden away beneath the soil in a Jacksonville alley and about bags of gold buried in Cracker's Bend neighborhood. Excavations have been made in the Bend and dynamite has been used for blowing up the ground in certain spots, but thus far the search has been fruitless. The treasure story follows:

We feel that we had exceedingly good luck, a day or so ago, when we met up with one of those old men who helped to make history in Morgan county. Some men grow old and keep all their knowledge to themselves, while others seem to have had their knowledge at interest at a high rate at that, and when they become old and add the interest to the principal, they have a fund worth going after.

A Chance For Riches.

We had the pleasure of meeting such a man the other day, and the knowledge we obtained, may, if used right, make us a rich man. This old fellow was raised in the breaks of "Little Hades" southeast of Arexville a few miles. He, like other boys, drifted away from his native locality and became a man of much experience. After years of hard labor he gained competency, and might have retired, but thought he would try one more venture and lost his whole pile. He was down and out; too old to labor, too poor to speculate. At this time he began to draw on his experience, and putting two and two together could make seven out of it just as easy as ordinary people can make four. He had heard many tales of hidden treasure, and he began to gather data and unravel hard problems on this subject until he has become an expert and can tell where there is enough hidden treasure to buy the city of Jacksonville and then some. This expert informs us there is \$23,000 buried in an alley in the city and he has it located, but a policeman goes over the spot every hour in the night and he dare not dig in the daylight. He also informs us of two large sums of gold buried in the Bend; one, by an old eastern hermit well known to the inhabitants of the Bend; the most fabulous of all is located on the Uncle Billy Smith homestead, somewhere near the big spring on Wind avenue.

Redman Told of Treasure.

It seems that Douglas Smith did a kind act for an old Indian in the mountains near Portland, Ore., a few years ago and the red brother repaid him by giving him a full account of this treasure. This venerable red man claimed to be one hundred and twenty-three years old and a first cousin to the old Indian Cracker.

He told how his tribe had held many pow-wows at the big spring in his Cousin Cracker's territory. Douglas Smith was in the Bend last winter for several weeks, but the weather was so cold he could do very little prospecting.

How this secret got out, we do not know, but we do know that several holes have been dug on the Smith homestead and on Lone Oak farm near the big spring, dynamite being used freely.

Our informant is going to procure a dipping needle and go after this treasure and when he does, there is going to be something doing in the Bend.

BASKET DINNER AT CHAPIN.

There will be an all day meeting at the Christian church Sunday, November 17th, and a basket dinner will be served in the basement of the church at the noon hour. A cordial invitation is extended to all. Come and enjoy the services of the day and renew acquaintances with the good people of the Chapin church. The pastor, Mr. C. D. Hougham, is conducting a revival meeting for the church. Large audiences are present each evening and good interest is manifested. Mrs. McMurry, of Normal, Ill., leads the song service.

DOMESTIC SCIENCE CLUB MEETS.

The Social Domestic Science club held its regular meeting at the residence of Mrs. George Coffman on Friday afternoon with a large attendance. After routine business had been transacted the election of officers was held and a social hour was enjoyed when refreshments were served. Mrs. Coffman was assisted by Mrs. Mary Banks, Mrs. Katie Rhodes and Mrs. Hattie Moseley. The next meeting will be held Friday, Dec. 29, with Mrs. Hamilton on Tendency street.

The election of officers resulted in the choice of the following:

President—Mrs. Mary Banks.

First Vice President—Mrs. Mattie Jackson.

Second Vice President—Mrs. J. W. Kirk.

Chaplain—Mrs. Merriweather.

Secretary—Mrs. Triplet.

Treasurer—Mrs. Katie Rhodes.

PASSED RESOLUTIONS.

At a meeting of the Brooklyn Brotherhood class at the home of J. C. McBride on South East street, the following resolution was passed relative to the death of little Margaret, daughter of the Rev. C. R. Morrison, former pastor of Brooklyn.

Whereas, It has pleased a loving Father to remove our beautiful little friend, Margaret, to the better land, we the members of the Brooklyn Brotherhood class, do hereby proffer our most tender sympathy to our former pastor, his wife and family, in their hour of deepest grief.

J. C. McBride,  
J. W. Moore,  
J. H. Reid.

## CAPT. SWALES ON WAY TO ANDERSONVILLE

Will be Present When Finishing Touches Are Made at Illinois Monument in National Cemetery.

Capt. J. M. Swales, of Springfield, formerly of this city, left Saturday evening for Andersonville, Ga., to be present while the finishing touches are being made to the Illinois-Andersonville monument in the National cemetery at that place.

The captain takes an extraordinary interest in the matter as he originated the monument to build the shaft.

He was the chairman of the committee which went before the house committee on appropriations and asked for an appropriation of \$15,000. After a long hard struggle the bill became law and the commission was appointed by Governor Deneen who finally let the contract and the work of construction began, and for one reason and another there has been considerable delay. Captain Swales will be accompanied on the long journey by Col. A. H. McCracken of Chicago, another member of the commission, and they will remain there till the monument is completed and ready for dedication, which may take place before the incoming administration is installed.

There are fifteen state monuments already here but the Illinois monument is said to be the most beautiful of them all and is constructed of material that will endure to the end of time, and reflect imperishable honor to the state, the commission, and a lasting memorial to the valor of those brave Illinois boys who sleep there today, martyrs to the cause of God and humanity and the country they perished to save.

Frank Wigginst of Pisgah was a Saturday business visitor in the city.

## GENERAL MARKET NEWS

### WHEAT STILL ON DOWN GRADE

Rapid Increase of Supply and No  
Adequate Demand Allows Bears to  
Reign in Control of Market.

(By Associated Press.)  
Chicago, Nov. 16.—Wheat headed  
downward today although the  
market has now been on a decline  
for nearly three weeks. Rapidly in-  
creasing supplies and no adequate  
demand allowed the bears to remain  
in control. The close was weak, 1/4  
to 3/4 under last night. Corn finish-  
ed 1/4 to 3/4 lower, oats varying  
from a shade off to a like amount  
up and provisions unchanged to an  
advance of 2c.

Except for an unfounded report  
that peace negotiations had been  
broken off, bulls in wheat found no  
encouragement of even a temporary  
sort. Rumors that Turkey was at  
loggerheads with Bulgarian in re-  
gard to terms of settlement made  
shorts run to cover early in the ses-  
sion. The effect in the pit, however,  
proved brief and thereafter as be-  
fore selling was general and free.

Argentine weather was favorable,  
northwestern car lot arrivals for the  
week nearly doubled those of a year  
ago and Chicago receipts for the  
week 1,500,000 bushels in excess of  
the shipments. Moreover the Rus-  
sian spring crop was reported to be  
50 per cent larger than 12 months  
back. December ranged from 85 1/2  
to 86 1/2 with last sales 85 1/2@85 3/4,  
a loss of 1/2 net.

Ideal weather conditions brought  
the corn market to the lowest level  
of the year. Despite week-end even-  
up of trades, little power to recuperate  
was shown. December fluctuated  
between 47 1/2@47 3/4 and 47 3/4@47 1/2,  
closing steady 1/4@1/2 lower at 47 1/2  
@47 3/4.

Cash grades were weak. No. 2  
yellow was quoted at 58 1/2c.  
Oats developed comparative  
strength. Offerings were light and  
contract stock small. December  
which sold from 30 1/2 to 30 3/4, closed  
a shade net higher at 30 3/4@30 1/2.

Provisions ruled firmer owing to  
a large shrinkage in the amount of  
lard on hand here and because of  
the diminished producing quality of  
hogs. At the end of the day lard  
had risen 15 to 20c, pork was un-  
changed to 17 1/2c and ribs dearer  
by 1 1/2 to 15c.

CHICAGO LIVESTOCK MARKET  
Chicago, Nov. 16.—Cattle—Re-  
ceipts, 10,000; market steady. Beef

49c; No. 4 yellow new, 45@47c; No.  
3 mixed old, 53 1/2c; new, 49c; No. 4  
mixed new, 45c; sample, 30@31c.

Oats steady. Standard, 32c; No.  
3 white, 30 1/2c; No. 4 white, 29 1/2c.

NEW YORK STOCKS.  
New York, Nov. 16.—A heavy  
tone prevailed during most of today's  
trading in stocks and prices ranged  
well below yesterday's close. In the  
last half hour there was a sharp re-  
bound which brought full recovery  
and in some cases resulted in net  
gains. The early heaviness was at-  
tributed to the announcement by

All contestants who call at our  
store and use their bonafide  
manufacturers credit voucher  
as part payment toward the  
purchase of a new piano, pay-  
ing the balance cash, we will  
give the choice of a genuine  
diamond ring, lady's gold watch  
gentleman's gold watch

**FREE!!** To every person that solves the above puzzle, the piano manufacturers who control and are distributing this advertising appropriation, will give absolutely free, the choice of the following premiums: Large piece of beautiful pressed cut glass, set of royal plate guaranteed silver spoons, set of gentlemen's gold-filled and pearl cuff buttons, tie pin and tie holder or pocketbook, also a bonafide manufacturers' credit voucher for \$117.50 good only on any new piano in our store. For many years piano manufacturers and dealers have tried to reduce the selling expense of pianos, the old way of paying solicitors, paying music teachers' commissions and engaging great artists to play their pianos at fabulous sums are being eliminated, and now it is the question of the best advertised piano, and one in which the purchasers are given the greatest possible value. This is the age of co-operation and the manufacturers correctly believe that the best way to market and introduce their product is to spend the advertising money in making special offers to the people rather than employing world-famous demonstrators at fabulous expense and making the people pay for such methods by asking a heavily inflated price for the piano.

**Some Special Dress Goods Bargains.**

For this week we offer three special Dress Goods bargains which mean a decided saving to shoppers. These specials, together with a fifty per cent cut on trimmed hats, will bring hundreds of customers here this week.

**\$1.00 Wool Dress Goods 89cts**

Fancy wool dress goods in newest weaves, shadow stripes, diagonals, whipcords, fancy suitings, the very latest products of the mills, in 44, 50 and 54 inch widths. This is a real bargain offering.

**50c. Wool Dress Goods, 39c**

Wool dress goods in mixture, plaids, fancy suitings, stripes, diagonals and checks. These goods are 36 inches wide and are excellent values at the regular prices to say nothing of the special reduction figure we are now announcing.

**One Fourth Off on Silk Poplins**

60 cent silk poplins at 45 cents is the price we have fixed for this week of bargain giving. They are 25 inches wide and of the very latest fall colors.

**Trimmed Hats Half Price**

Three hundred colored trimmed hats to select from and you can take your choice at just half the regular price. The materials are of the best quality and the styles absolutely correct.

**FLORETH DRY GOODS STORE**

**WOMAN'S COLLEGE.**

The class in Solfege was organized Friday under the direction of Miss Anna L. Beebe. It is one of the free classes offered to students in the college of music. A large number have taken up the work. Another free class for students in the college of music is that of analytical harmony. There are twenty-six members in this class. These added features are proving of great interest to the students.

Mrs. Florence Hartmann sang Saturday afternoon in Chicago in the Fine Arts building under the auspices of the Chicago Amateur Musical club. Mrs. Hartmann is one of the active members of this organization. All of Chicago's prominent musicians belong to this club. The regular weekly students' recital was held Thursday afternoon at 4:15.

Miss Anna L. Beebe will sing "The Lord is My Shepherd" by Van de Water at Centenary church Sunday morning.

Mrs. Anderson of Pawnee is visiting their daughter, Miss Nellie. Mr. and Mrs. J. E. Rucker, of Decatur, were at the college visiting their daughter, Miss Zoe.

Mrs. Rhea Smith Roth, of Hot Springs, S. D., left for her home Thursday after visiting the college for a number of days. Mrs. Roth was a student here in 1910-11.

Miss Ida Evans was called to Decatur Thursday owing to the illness of her sister.

Plans for the Thanksgiving celebration are about completed and will be announced before long.

The committee on raising the endowment for the college is actively at work and will soon have the plans fully made for the completion of the campaign in Jacksonville. If this campaign receives the support of Jacksonville it will mean a great thing for the city from a business standpoint in the immediate future, both in additional buildings and increased attendance.

An automatic starter for the pipe organ has recently been installed which is working very satisfactorily and is a decided improvement.

The Indiana club made its formal entry into chapel Friday morning. This is a unique organization and is organized mainly for social purposes. A full announcement of this appeared in Friday's Courier and Saturday's Journal. The song was especially clever.

In checking over the work done in the College of Liberal Arts, it is found there are 197 hours of recitation per week of all different classes. This report considers a laboratory period of two or three hours as a one hour period.

Montgomery & Depe are closing out their Dress Goods, Silks and Trimmings.

Easy to be thankful if you buy your Thanksgiving linens at Hillerby's.

**\$6.50 BUY'S CORDUROY SUITS WORTH \$12.50 AT HERMAN'S.**

**MANY AUTOS DESTROYED.**

The principal losers in the Springfield fire which destroyed a garage Friday night were as follows:

Capitol Auto company, five cars; Corbin, \$1,500; Buick \$600; Ford \$600; Maxwell \$400; Buick truck, \$1,100.

J. Mack Tanner, Studebaker, \$3,000.

William Winders, DeTamble, \$800.

R. H. Armbruster company, Buick truck, \$1,200.

William Foster Manufacturing company, Buick truck, \$1,100.

Maldaner & Son, Ford delivery car, \$600.

Charles Maldaner, Hudson, \$1,800.

J. F. Wilson, Chalmers \$1,500.

Goldstein Brothers, Hudson roadster, \$1,000.

J. H. Ward, DuQuoin, Martin, \$1,500.

A. H. Barth, who stored electrical supplies over the garage, \$2,000.

Easy to be thankful if you buy your Thanksgiving linens at Hillerby's.

Montgomery & Depe are closing out their Dress Goods, Silks and Trimmings.

A nice selection of bathrobes and smoking jackets can be had at Garland & Co.'s.

**ADDRESSES DOMESTIC SCIENCE ROUND TABLE**

Miss Morrison, Visiting Nurse of Anti-tuberculosis Society, Tells of Work of Free Clinic.

At the meeting of the Domestic Science Round Table, held with Mrs. William Floeth at her residence on West College avenue Saturday afternoon, Miss Geneva Morrison, visiting nurse of the Free Clinic, presented a very interesting paper dealing with the work of the clinic. The meeting was attended by quite a number of members and following the address a social hour was enjoyed when refreshments were served.

Miss Morrison said in part: "My subject is rather a broad one. I am going to narrow it down somewhat and speak from the standpoint of a tuberculosis nurse."

"Early in the campaign against preventable disease came the idea that the only way to completely eradicate it was by educating the public, and this they realized could be done thoroughly only by teaching the individual. The visiting nurse became the keynote to the situation for the nurse is a great go-between between the physician and the patient, the patient and the institution. She brings them together. She cannot diagnose cases, but she can diagnose cases that should be diagnosed by someone else. To be brief her duties are chiefly to instruct, inspect and supervise."

**San Lay Only Foundation.**

"The nurse is not the end of the matter, however. We cannot eliminate tuberculosis by simply teaching people to be scrupulously careful. By our teaching we can lay a broad foundation, but beyond that we cannot go. There are too many factors which nullify this instruction and we find our careful training can only be partially applied. For instance, the mother of a family who must cook, wash and work for the entire household must necessarily fail in her efforts to carry out directions. The father of a family, overworked, underpaid and discouraged becomes indifferent as to what becomes of himself and others. The boy of 20 carousing around pool rooms and street corners, who has never in his life known the meaning of self control, is not one to develop sudden moral strength and consideration for others. The nurse is powerless to contend with many of these factors. She is dealing with people, not things, and the carefulness she is able to produce is only relative, not total. Roughly speaking, about one half of our patients really try to be careful and one half either do not try or cannot succeed if they do try. Many patients left in their own home, even under supervision are unable to carry out a degree of technic sufficient to insure absolute safety to those surrounding them. Don't misunderstand me, I don't mean the nurse is useless, but that the patient at large is dangerous. The need of hospital facilities is thus apparent."

**Problem of Small Communities.**

"We have come to the point in the tuberculosis campaign where the problem of the smaller and rural communities is compelling the serious attention of those interested in the subject. The smaller communities, because of their smallness, have not had the gospel of fresh air and sunshine explained to them, and so they look with suspicion upon any one invading. To such a community the actual existing condition must be made clear so that the community's conscience may be aroused, and some way found of dealing with the conditions. The greatest work of the visiting nurse is in building up sentiment, by clarifying the atmosphere and showing the people just what the actual existing conditions are. That is what our society is trying to do here."

"We have simply made a beginning. Our aim is to place under supervision every tuberculosis patient in the city, early and advanced. We are especially interested in getting a hold upon the incipient cases by insisting that wherever there is a case of the disease located the members of the family and household have a thorough examination frequently."

"The care of tuberculosis which results in decreasing the death rate is the only sort of care that counts. To gain this result the city should have a dispensary, city or county hospital for the care of advanced cases and a nurse to supervise and instruct. There are many ways in which the Women's club may help. You can use your influence to have existing health laws enforced and to cause new ones to be made and in many other ways assist in the work."

## Shoe Wants For Children

We consider the fitting of children's feet of such importance that we have arranged a separate department devoted to the fitting of children's feet and their entertainment. If you have any concern about your children's feet, you want them treated right. We are prepared to do this best, we have large assortments and take particular pains to fit their feet right.

## High Top Footwear

If there is a style of footwear for children that is practical, serviceable and very pleasing it is high top footwear. We have a long line of the various heights for all ages including the growing girls in all leathers—Patents, Dulls, Kids and Tans. Children's Shoe prices, 50c to \$3.50.

### SOCIAL EVENTS.

St. Louis Republic:—Closely following the elopement of Miss Margaret Brown, her "dearest chum," Miss Helen Nixon, 5066 Westminister place, yesterday announced at a luncheon her engagement to Lewis Lyall Middleton, 5614 Waterman avenue.

Upon the arrival several years ago of Miss Brown to take up her home with her sister, Mrs. Edward F. Goltra, she and Miss Nixon became inseparable chums.

While visiting New York several days ago in company with the Goltras, Miss Brown went over to New Jersey and was married to D. Herbert Hostetter, a wealthy Princeton classmate of her nephew, Edward F. Goltra, Jr.

The luncheon at which Miss Nixon's engagement was announced was given at the Mercantile club by the bridegroom's sister, Miss Vera Middleton. Covers were laid for fourteen.

Miss Nixon is a graduate of Mary institute, and she made her debut at the Veiled Prophet's ball two years ago. She is an accomplished musician and linguist.

Middleton is a graduate of Bleis Military Academy, Macon, Mo., and is employed by the Scullin-Gallagher Iron and Steel company.

Miss Anna Brown entertained a company of thirty guests at a dancing party at her home on West State street, Saturday evening. At the close of a very delightful evening refreshments were served.

Mrs. Flossie Aulabaugh entertained a company of six friends at dinner at her home in Alexander Friday, the occasion being her birthday. The home was very prettily decorated in autumn leaves and after enjoying a sumptuous dinner a very pleasant afternoon was spent. The guest list included: Mrs. G. L. Masters, Mrs. Norman Aulabaugh, Mrs. Clifford Strawn, Mrs. Luther Wiley, Mrs. J. W. Reif and Mrs. Fred Grandjean.

Black Dress Goods for Waists, Skirts and Dresses at Montgomery & Deppes.

REAL ESTATE TRANSFERS. Barbara Jane DeSilva to Antonio Frank, lot 11 and part lot 18 in Berdan's add. to Jacksonville; \$1000. Wm. Hughes to J. K. Cunningham, land in 19-13-10; \$; quit claim deed.

Wm. Hauser to Mary Whipple, lots 13 and 14, block 36, Aylesworth & Cobb's add., Meredosia; \$550.

Keep looking until you see the swagger overcoats sold by Garland & Co.

### ILLINOIS COLLEGE NOTES.

Professor and Mrs. J. G. Ames entertained the trustees and the members of the faculty at a reception at their home on Mound avenue Friday evening.

Dr. W. S. P. Bryan, who spoke to the students of the college Tuesday morning, was recently elected moderator of the Synod of Illinois. He is also chairman of the committee on Christian Education of the synod.

Principal Welday, of Whipple Academy, accompanied the student delegates of Illinois college to the oratorical contest held at Eureka last week. On his return he stopped at Canton to visit a classmate who is on the high school faculty there.

Dean F. S. Hayden of the Bible department is giving a course of lectures on the Bible to a class composed chiefly of the members of Sorosis.

The Whipple Academy boys who are on the football squad had their pictures taken on Friday.

Alberta Quigg, Helen McDonald and Catherine Wilson, of Whipple, are spending Sunday at their respective homes.

On Nov. 9 a new club, to be known as The Olympian Club, was formed among the students of Latin in Illinois college. Its purpose is to foster the interest of its members and others in the classics. In its plan of organization, this club, which starts with sixteen members, represents an assembly of the gods and goddesses on Mt. Olympus. Its king and queen, who assume the parts of Jupiter and Juno, are Mr. Warren Hall and Miss Genevieve Clark. Mr. George Turl is annalist and Miss Elizabeth Struck, purse-bearer. During this winter the meetings of the club will be given up to the study of mythology and Latin comedy.

## FINGERS SUFFER IN BAD ACCIDENT

Benjamin Cade and Rolla Harney of Woodson Meet With Misfortune While Working With Machinery.

Benjamin Cade and Rolla Harney, two Woodson citizens, had their fingers badly crippled by accident Saturday. Mr. Cade was operating a corn elevator and in some manner caught his hands in the machine. The middle finger of the left hand was broken and the end of the forefinger on the right hand was severely mashed. The accident happened about 6 a. m. and Mr. Cade came to Jacksonville where Dr. J. W. Haigrove gave the necessary medical attention.

About 3 o'clock Saturday afternoon Rollo Harney, son of W. E. Harney, was working with a buzz saw at the home of Thomas Tillington. His little finger on the right hand was so badly cut that the member had to be amputated. The third finger was badly bruised but Dr. Haigrove, who dressed the finger, believes it can be saved. Both men will be laid up for several days.

HUNDREDS OF BEAUTIFUL WINTER SUITS, COATS, WOOL AND SILK DRESSES, SEPARATE SKIRTS, SILK WAISTS, DOWN ROBES AND MILLINERY. WE MUST DISPOSE OF OUR STOCK QUICKLY. MAKE US AN OFFER ON WHAT YOU NEED. THE PRICES ARE NO OBJECT.

JUNIOR ETUDE CLUB. The members of the Junior Etude club met Saturday at the home of Anna Frances Bradley. Only a short musical program was given consisting of piano solo by Grace Van Houten, violin solo by Anna Bradley with Ruth Bradley as accompanist, piano solos by Hazel Brown and Ruth Bradley. The club held a business session and Frances Oppenheimer and Mary Briggs were voted in as members. The club also voted to have a leap year party, the place and time to be made known later. Light refreshments were served.

THE EMPORIUM. ASTRICAN COATS IN PLAIN BLACK, PLAIN WHITE, ALSO BLACK AND WHITE EFFECTS. A FULL LINE AT LESS THAN COST TO CLOSE OUT QUICKLY.

THE EMPORIUM. DANCING SCHOOL Monday nights. Degens Hall.

Don't forget our 1/2 price sale on colored trimmed hats. Floeth Dry-goods Store.

GAVE OYSTER SUPPER. The Junior Philathea Sunday school class of the First Baptist church, taught by Miss Carrie Spiros, gave an oyster supper in the basement of the church Saturday evening from 5 till 8. There was a large attendance and a neat sum was realized. The class will use the money to educate a girl in Huchow, China. The tables were prettily decorated with red roses and the girls of the class acted as waitresses. The ladies assisting in the kitchen were Mrs. Jerry Cox, Mrs. Joseph Jackson, Mrs. James Stout, Mrs. Joseph Shreve and Mrs. August B. Herman.

EXTRA LARGE BLACK LYNX MUFFS AND SEPARATE NECK PIECES LINED IN FINE SATIN. \$6 VALUES TO CLOSE OUT. CHOICE \$2.98.

THE EMPORIUM. ONLY 5 CENTS A POUND. Family washing, rough dry, 5c lb. at the Model Laundry, 214 South Sandy street. Both phones.

Howe fresh made chocolates.

## FORMATION OF "THE CLASSICAL CLUB"

Latin and Greek Teachers of the City Form New Organization at the Home of Prof. R. H. Tanner.

Jacksonville is to have another organization known as "The Classical Club." It will be composed of the Latin and Greek teachers of the various schools of the city.

The Woman's college, Rount college, Jacksonville high school, Illinois college and Whipple Academy representatives met Saturday night at the home of Prof. R. H. Tanner at 1048 Grove street, where the plans were perfected and the club launched. Prof. Tanner acted as temporary chairman and the remaining officers are to be chosen Dec. 14, when the club has its next meeting.

It was at the instigation of Prof. Tanner of Illinois college that the club was formed. In other places where he has taught, there exists a similar organization and the benefits have been such as to warrant a similar club in Jacksonville. The object of the society will be to discuss the classics and everything pertaining to their presentation in the class room, and now to derive the best results in the perusal of this department of education. Much interest was manifested in the new club and after the business session a social hour was enjoyed and light refreshments served. The meetings will be held monthly.

BIG RELIABLE BARGAINS OFFERED MONDAY AND TUESDAY IN READY TO WEAR GARMENTS AND MILLINERY THAT WILL SURPRISE YOU AT HERMAN'S.

FUNERAL NOTICE. The funeral services of Mrs. Christina Nortrup will be held Monday at 12 o'clock from the residence of her son, George Nortrup, two and one-half miles west of Concord, and interment will be made in the Concord cemetery.

### "A HINT"

Don't forget to save the coupons for dishes given with "White Lily Flour" as the dishes are of the distinctive Colonial pattern, with Lily of the Valley decoration.

The set consists of 42 pieces and make an elegant Christmas present that is useful. These dishes are ready packed and can be shipped any place.

We have ordered an extra shipment to take care of the Xmas rush.

Remember White Lily Flour is unsurpassed in quality, sold with a money back guarantee by all grocers also at the mill.
